

COVINGTON HIGH SCHOOL

ABOUT CCP:

In order to be able to participate in the college credit plus program, there are things you need to take care of. Some must be done every year, other things only need to be done once.

MANDATORY MEETING

In order to participate each year, students must attend one of the mandatory CCP meetings. If you did not attend, please reach out to Mrs. Ayres.

1

Turn in the Intent to Participate form by **APRIL 1st**

*This needs done every year.

2

Apply to the college(s) you are going to use.

*This only needs done once.

3

Make sure you qualify for the classes you plan to take. This might mean taking the Acuplacer!

4

Many students will need to take the Accuplacer to qualify for CCP. We are offering one at CHS, **date TBD**. There will be a sign up sheet located on the door to Mrs. Ayres office once the date is set.

5

Register for classes! Classes taken online or at Edison's campus require a registration form. An enrollment manager will be here this spring, dates TBD.

6

Complete the online orientation. This will help you learn about the Edison's system and all the important information about being a CCP student!
