

Good Afternoon, Eagle Families,

EIS Update 1/30/26

Well, hopefully this was a week that we won't have to repeat for a long time! It was hard on you, our students, teachers, and just about everyone involved. However, we learned a great deal about synchronous e-learning, which will help us in the future should we need to use it again. Remember that we will now be in school on February 13. If you had already scheduled getaways for the long weekend, let us know and I will excuse those absences as that was not a day that was originally scheduled as a snow day make-up day. Here is what else you need to know heading into next week:

- Math Bowl tryouts were very inconvenienced this week and have been rescheduled for next week. Email Mrs. Noth with any questions snoth@rbbschools.net.
 - Tuesday, February 3rd, 3:30-4:30 (Tryout 1 in cafe)
 - Wednesday, February 4th, 3:30-4:30 (Tryout 2 in cafe)
 - Friday, February 6th, 3:30 - Teams Announced
 - Wednesday, February 11th, 3:30-4:30 First Day of Practice (Ms. Noth's Room, 323)
- Boys and Girls Club will be hosting a Presidents Day Camp. If you are looking for help with childcare that day you can contact Noah Stevens at nstevens@bgcbloomington.org for more details.
- The dental clinic that was scheduled for today is being rescheduled. We will let you know the new date once we have it.
- I had two submissions in the [Principal's Mailbag](#) this week. The first asked why we don't send devices home when there are possible e-learning days. The answer is because our K-5 student Chromebooks are only insured while they are at school. If we send them home, then we have to pay more for that policy. We do have ways to work around this barrier. We could have families sign waivers that would put the responsibility for repairs on you. We would also need to purchase cases and chargers, as the chargers we currently use are tied up in the carts. Regardless, this is something that is being discussed for the future. Next, someone let us know that our phone system was having trouble with it's online menu. I'll put in a tech ticket and get that working again! Thanks!

Important Dates:

- Wednesday 2/4 – PTO Meeting – 6:00
- Friday 2/13 – School is in session
- Tuesday 2/17 – School Board Meeting – 6:00
- Thursday 2/26 – 3rd Grade Music Program – 6:30 – Doors open at 6:00

Have a great weekend,

Andy Scholl, Principal, EIS
