ADDENDUM #3

Question: The Baxter Oven Rack do not require installation. Can you confirm if there is someone to receive the equipment? Delivery site? Unboxing and debris removal?

Answer: The Baxter Oven Rack is for drop off only, no need for installation. We have our lead warehouse to receive the equipment upon delivery. All racks will be delivered to our Nutrition Services Warehouse only.

Question: For line item# 4, DDA-3 Direct Steam Oven, is white glove delivery acceptable or will full installation be required? If full installation is required, please provide site location? How many total delivery/installation sites? Will removal and disposal of any existing equipment be required?

Answer: We need full installation for the steam ovens. It will be delivered to one site only, Nutrition Service Warehouse, at 151 S. Cactus Ave. Rialto, CA 92376. Yes, removal and disposal of any existing equipment are required.

Question: For bid structure, will this be awarded as line items or as fully awarded bid? Approximately how many vendors have been invited to participate?

Answer: It will be awarded as line items. The bid was open to the public.
