ADDENDUM #4

Question: Just to confirm, this is only for the Baxter Oven Racks and Crown Steamers?

Answer: Yes, this bid is only for the Baxter Oven Racks and Direct Steam Ovens.

Question: Will the district be ordering all these racks at the same time? Will it be shipped together in one location or multiple locations at different times through out the year?

Answer: Yes, the district will be ordering all these racks all at the same time and will be delivered to one site only. It will be at Nutrition Services Warehouse located at 151 S. Cactus Ave. Rialto, CA 92376.

Question: For the direct steam oven, the model requires incoming steam generated from another source to operate this unit. I want to know and make sure that these six (6) units have an existing steam source ready to power these units?

Answer: Yes, we have steam generators.
