August 28, 2025

Dear North Families,

We are excited to announce that the Omaha Public Schools will provide Advanced Academic support to pay for all tuition and fees for students who wish to enroll in Dual Enrollment courses. The district will also pay the fee to take the Advanced Placement Exam in May for all Advanced Placement courses. Our goal is that more students take advantage of these opportunities.

The Omaha Public Schools is proud to offer many advanced academic offerings for students in each of our high schools. Dual Enrollment and Advanced Placement Exams provide students the opportunity to earn college credit or college placement while they are in high school. Students who graduate with college credits are often able to save significant amounts of time and money when they enter college.

Students who have enrolled in Dual Enrollment and Advanced Placement classes will have representatives from partner Dual Enrollment institutions visit their classrooms soon to help students with enrollment procedures. This fall, Advanced Placement teachers will work with students to register for Advanced Placement Exams.

Please note that Omaha Public Schools does not cover the cost of unused AP Exams Fees. Therefore, if your student registers for an AP exam and does not take it, the unused exam fee will be assigned to their student account as a fine.

Please see below for specific contact information at your high school regarding Advanced Academic opportunities.

Position	Name	Email	Phone Number
AP & Dual Enrollment Coordinator & ACE Approver	Clesta Stevens	Clesta.Stevens@ops.org	(531) 299-4051
School Counseling Director & ACE Approver	Kevin Custard	kevin.custard@ops.org	(531) 299-7207

AP & Dual Enrollment
Frequently Asked Questions

Q: Is there a process to sign up to take the Advanced Placement Exam?

A: Yes, you will work with your Advanced Placement teacher and enroll in the AP Classroom (myap.collegeboard.org) to indicate if you are or are not ordering an exam for the 2025-26 exam cycle.

Q: Do I have to take the Advanced Placement Exam?

A: No. However, **ALL** Advanced Placement students will be required to take a cumulative final, which is either the Advanced Placement exam created by the College Board **OR** an Omaha Public Schools cumulative exam.

Q: Do I need to register for dual enrollment to earn college credits?

A: Yes, you need to follow the application guidelines for Metropolitan Community College, Midland University, and/or University of Nebraska Omaha to register for the courses you are eligible to take at your high school. *Courses are eligible based on teacher credentials.

Q: What is the Access College Early (ACE) Scholarship?

A: The Access College Early (ACE) Scholarship program pays tuition and mandatory fees for qualified, low-income high school students to enroll in college courses from Nebraska colleges or universities, either through dual enrollment or early enrollment agreements with these institutions.

Q: If I fill out the EBF (Educational Benefits Form) and qualify, do I need to fill out the Access College Early (ACE) Scholarship to cover my dual enrollment?

A: Yes, please fill out the EBF each year to see if you qualify for benefits to cover many opportunities. This is important because many entities are working together to provide funding to make Advanced Academics low or no cost to all families. Then, Ms. Stevens will work with you to complete the ACE Scholarship. You can complete the application online at https://ccpe.nebraska.gov/ACE

Q: Will I receive a bill for Advanced Placement and or Dual Enrollment costs?

A: No. If you do receive a bill, please see Ms. Clesta Stevens, your AP & Dual Enrollment Coordinator.

2025-26 AP & Dual Enrollment

Advanced Placement College Board

- Full-Year & 1st Semester Courses AP Exam Enrollment
  - Deadline: Friday, November 7th
- 2nd Semester Courses AP Exam Enrollment
