

Occupational Therapy Workshop

Join us for a hands-on Occupational Therapy workshop focused on sensory integration and fine motor development. This interactive session will help caregivers better understand how sensory processing impacts daily functioning and learning, while exploring practical strategies to support fine motor skills. Participants will engage in hands-on activities and leave with strategies they can use right away at home or in the classroom.

WEDNESDAY
FEBRUARY 25, 2026

STARTS AT
6:30PM

**SUPERINTENDENT'S
CONFERENCE ROOM**
77 POLAND ST, WEBSTER
