February 2026

Issue 6

From the Desk of the Superintendent

Each December, Lakeview publishes an Annual Report, a snapshot of where our district stands and the progress we've made over the past year. While the report itself includes detailed data, financial information, and state-required metrics, I want to use this month's newsletter to focus on the bigger picture: where we're headed, what we're prioritizing, and how we're planning for the future.

Many of the projects completed this year fell into the category of necessary and obvious improvements. Our athletic field lighting had reached the end of its useful life, with some areas becoming unreliable and inefficient. Updates were needed not just to improve visibility and performance, but to ensure long-term reliability and safety. Similarly, updates to our transportation fleet were made to ensure we continue to meet and exceed state and federal safety expectations, replacing older vehicles before they became an issue. These were important steps, but they also represent a shift in how we think about planning.

Moving forward, Lakeview is transitioning from a reactive approach to a more proactive, long-range mindset. The goal is to anticipate needs before they become urgent, allowing us to remain both efficient and effective while being good stewards of our resources. This approach better positions the district to support students, staff, and families not just today, but for years to come.

One significant area of focus ahead is how we approach Continuous Improvement Planning (CIP). All districts are required to engage in continuous improvement as part of state accountability and accreditation, but how that work looks can vary widely. Lakeview is in a strong position to tighten our focus, streamline our efforts, and ensure that our improvement work is purposeful rather than procedural. The intent is simple: to align our work so that every employee, across every role, is moving toward a shared set of goals that truly matter for students.

Finally, I want to invite you to be part of an exciting new opportunity to stay connected: **Lakeview Live. On February 17**, we'll be hosting a live, interactive show streamed on YouTube. You can watch live from the comfort of your home, or catch the recording later if that works better. The event will be about an hour long and feature guests from across the district, updates on what's happening at Lakeview, and opportunities for audience interaction. And yes, there will be chances to win prizes.

Transparency, communication, and thoughtful planning remain central to the work we're doing. Thank you for your continued support and partnership as we move Lakeview forward together.

We are Lakeview!

Snowball Winter Formal

The Snowball Winter Formal was hosted by the Senior Class of 2026 on January 10th.

Crowned that evening were freshmen Alaina Rosendahl and Landon Hellbusch, sophomores Brianna Line and Ty Schmidt, juniors Calli Helms and Nash Henk, senior attendants Cali Bentz and Peyton Halvorsen, and Queen Abby Ellsworth and King Blake Rathbone.

Thank you to all of the seniors and their dates who helped with clean-up afterward, it was a fun night!

The background is a light yellow color with a white scalloped border. It features several illustrations of graduation regalia: a blue cap with a yellow tassel in the top left, a blue gown with a yellow stole in the top right, a blue gown with a yellow stole in the bottom left, and a blue cap with a yellow tassel in the bottom right. A gold medal with a blue ribbon is also visible on the left and right sides.

CLASS OF 2026

Graduation will be held on Sunday, May 10th, at 1:30 p.m. at Lakeview High School.

Seniors should have already ordered a cap/gown/tassel/stole unit from the Jostens website, and these will be delivered to Lakeview in late spring. Mrs. Krienke will hand these out when they arrive.

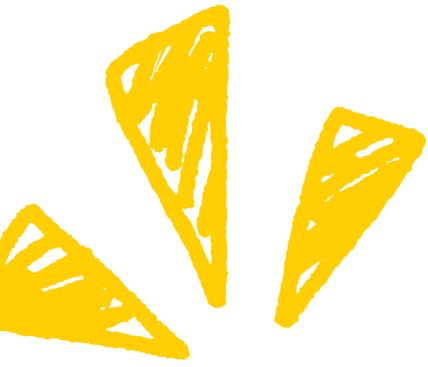

Seniors should send a baby picture and a senior picture for the senior class slideshow to 26corabartos@lakeview.esu7.org if they have not done so yet.

Have a great 2nd semester, seniors!

St. John's Lutheran School Newsletter

We are thankful to be back in school after a refreshing break and to begin the new year together in God's grace. We kicked off the year with Pastor Kyle Fittje being installed as our new pastor! We welcome him and his family into our St. John's Family.

The celebration of Epiphany marked our return to school, as we rejoiced in the light of Christ revealed to all nations. We began the new semester with our first chapel service, joyfully welcoming back Ben from Camp Luther and giving thanks for the ways God is at work in his life and ministry. As winter settles in, we continue to be hopeful for some snow and for God's protection over our students, families, and staff each day.

As we begin 2026, our classrooms are also focusing on setting goals and working diligently to achieve them. It is a joy to watch our students grow academically, socially, and spiritually as they use the gifts God has given them. Our basketball season with Christ Lutheran is in full swing, and we thank God for opportunities to grow in teamwork, sportsmanship, and Christian character both on and off the court.

Our preschool classroom has been busy with hands-on learning, creative play, and building friendships while practicing important early learning skills. Kindergarten students have been excited about sharing during show and tell and are gaining confidence speaking in front of their classmates. First grade has been working hard on mastering doubles +1 facts and strengthening their math foundations. Second grade students are thrilled to begin learning cursive and are eager to practice their handwriting skills. Third grade has been busy practicing multiplication facts and building accuracy and confidence in math.

In the Middle Room, students have started a new class novel, *Bridge to Terabithia*, and are engaged in meaningful discussions while continuing to advance their math skills. The Big Room has been busy with challenging academic work, collaborative projects, and developing leadership and responsibility as older students in our school.

We are truly blessed to have Pastor Fittje serving in our church and school and sharing God's Word with us. As we move forward into this new year, we thank God for His continued guidance and ask for His blessings upon our school community. Next month, we are excited to share all the fun that we had during National Lutheran Schools Week!

SCOOPS of JOY!

Our 2nd Quarter SCOOP Awards (Showing Christ to Others On Purpose) recipients are Gentry Klug, Kendall Wolta, Jazlynn Dougherty, Emily Brown, and Mason Muhle. Christ Lutheran School strives to be a place that not only nurtures academic growth, but also encourages good character and faith development through Bible study and ACTS of service! We try to give our students the opportunity to show Jesus to both our community and congregation. Each year, during the Christmas Season, our upper grades classroom hosts an "elder tree"

These people throughout the area are nominated to receive some special gifts and visits. Our congregation members adopt these nominees and our students wrap and deliver the gifts, along with some warm smiles and great conversation. What a great way for our school to foster generational relationships, and to show care for one another.

National Lutheran Schools week will be January 25-31st, and we are so very thankful for the opportunity to celebrate the blessing of Lutheran Education here in Columbus!

A "Splitt" Second

Students at Christ Lutheran have the unique experience of learning and growing alongside all ages, which provides them the chance to both learn and lead, to emulate and model, to help and be helped. Our chapel families give our older students a way to guide and get to know the younger students.

Worship News

From Dust to Dust – Ash Wednesday

Ash Wednesday marks the beginning of the season of worship is more “penitential”, Lent, and we will receive the ashes that 18th this year. Lent serves not only as a time to meditate on the suffering that Christ endured on our behalf but also as an opportunity to reflect upon our own and our Savior. Baptism and what it means

endured on our behalf but reminder of submission and also as an opportunity to humility, both of ourselves reflect upon our own and our Savior. Baptism and what it means

“Lent is a time for us to take stock of ourselves, a time to ask who it is we truly depend on, a time to look at ourselves without filters, a time to be reminded that all we have and hope for comes from and is in Christ our Lord. Forgiveness and Hope are found only in HIM!”

- Pastor Voelker

An Active Campus!

Our Snacks with Santa event was a wonderful success, with a great turnout from families and lots of joyful memories made. We are incredibly thankful to everyone who donated snacks, helped with preparation, and volunteered their time to make the event special for our children. It was a beautiful example of a community coming together to create meaningful moments for our youngest members.

The Upper Grades Annual Market Day was another great success this year, with each student creating a wonderful business for our community to patron. Students enjoyed purchasing goodies and getting some special treatment!

Early Childhood Community

Ministry with HEART!

Our Early Childhood Program has much to celebrate as we reflect on recent moments that truly captured the heart of our ministry. We are grateful for our afterschool “big kid” volunteers who share their time and joy with our children, bringing fun and fellowship to our afternoons. We are also thankful for our families, teachers and congregation who continue to support this ministry and help us care for kids in ways that truly matter. We also pause to honor the life of Linda Cattau, our beloved “grandma volunteer.” Linda’s gentle spirit, generosity, and love for children touched countless lives within our program. Her presence was a gift, and her legacy of care and kindness will continue to live on in the hearts of our children, families, and staff.

“From the Capitol to our community, decisions made about early childhood programs directly impact children, families, educators, and the health of our community.”
