STEAM Scholarship Addendum

To the Parent/Guardian: Please have the student complete the following STEAM Scholarship addendum and return or mail it to the Admission Office. Only applicants to Grades 4–8 are eligible for consideration.

Student Information:
First and Last Name_____

Applying for Grade (circle one) 4th 5th 6th 7th 8th

Signature of Parent/Guardian_____ Date_____

To the Applicant: Please answer the following questions. Your answer must be handwritten, and it is important that it reflects your voice. If additional paper is needed, please include your name at the top and attach it to this page.

1) Describe a STEAM-related project, challenge, or idea that has inspired you. What did you learn from the experience, and how would you bring that curiosity and creativity to the STEAM program at FH?

2) STEAM learning often involves problem-solving, perseverance, and collaboration. Share an example of a time you used one or more of these skills. How do you imagine using these strengths as a member of the FH community?

3) Describe how you would like to contribute to the Far Hills community through STEAM. For example, would you participate in or lead clubs (like robotics), mentor younger students, or help with STEAM events?

This form and the student's handwritten answers can be mailed to the Admission Office at:
