

Mission

Current Statement:

We build futures for our students by providing a pathway for all students to become responsible, informed, productive citizens who can compete in a diverse world.

Draft Revision Based on Feedback:

Bellflower Unified School District provides exceptional educational experiences that empower every student to become capable, confident, and prepared for college, careers, life, and lifelong learning.

Vision

Current Statement:

The Bellflower Unified School District produces graduates who are globally competitive learners. Through equitable access to high quality academic, social, and applied learning, students are ready to excel in college, careers, and life.

Draft Revision Based on Feedback:

Bellflower Unified School District ignites the potential of every student, ensuring each is seen and supported to become a resilient, ethical, and adaptable individual who learns deeply, collaborates openly, and leads with confidence and compassion in a changing world.

Core Values

Current Statement:

Equity

All students have equal access to quality staff, courses, activities, services, and resources based on their individual needs.

Achievement

Teachers and staff have the knowledge, skills, expertise and resources to ensure continuous improvement for all students. Staff is focused on continuous evaluation and improvement of our programs and uses data to make changes when needed.

Community

Stakeholders work as a team to provide a respectful environment that fosters learning through

Excellence

We hold high expectations for every student and adult, providing meaningful learning experiences and high-quality service. As a community of learners, we are committed to continuous growth, achievement, and improvement, anchored in shared accountability for the success and well-being of all.

Collaboration

We work together across schools, teams, families, and communities, guided by trust, open communication, and shared responsibility, to create thriving environments where every learner and educator can grow, contribute, and succeed.

Belonging

We foster environments where every student and adult feels seen, respected, supported, valued, and acknowledged for who they are. Engagement, inclusion, affirmation, and genuine recognition are essential to learning, well-being, and lasting success.

Integrity

We act with honesty, accountability, and transparency. Trust is built through ethical behavior, thoughtful stewardship of public resources, reliable actions, respectful relationships, and clear decision-making.

Equity

Revised: We ensure every student and staff member has equitable access to meaningful opportunities, responsive support, and the resources they need to thrive, guided by individual strengths, needs, and aspirations. We champion inclusion, relevance, cultural responsiveness, and voice so that everyone feels seen, heard, and empowered to succeed.
