Welcome, Class of 2030 Parents and Guardians!

Dear Mill Creek Families,

While the recent weather challenged our original plans, we are ready to move forward! Since the sessions on January 26th and February 2nd were canceled, we have combined our informational presentation and one-on-one Q&A into a single, comprehensive evening. In addition, students now have until February 11, 2026, to submit their registration forms and apply for the EPIC program.

We want to ensure you have all the information you need for a smooth transition to high school without requiring you to make two separate trips to campus. Please join us for our rescheduled and expanded event:

Rising 9th Grade Parent Night

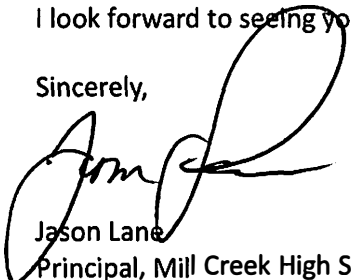

Monday, February 9 | 6:00 PM – 8:30 PM

- **6:00 – 6:15 PM:** General Session (Commons/Cafeteria). We will cover the registration process and the specific support systems we have in place for freshmen.
- **6:20 – 7:35 PM:** Breakout Sessions. Choose from a variety of sessions to learn about our EPIC (STEM) Program, Core Academics, Fine Arts, CTE, Advanced Placement (AP) courses, Counselor services and support, and how your student can get involved in campus life.
- **7:45 – 8:30 PM:** Drop-In Q&A (Media Center). To conclude the evening, we will move to the Media Center for a "drop-in" style event. This is your time to have personalized conversations regarding your child's specific needs. You will have the opportunity to speak one-on-one with:
 - Mill Creek School Counselors
 - Department Chairs
 - Assistant Principals

Mill Creek remains one of the finest high schools in the state because of the strength and resilience of our community. Thank you for your flexibility and continued partnership as we prepare to welcome the Class of 2030.

I look forward to seeing you all on February 9th!

Sincerely,

Jason Lane
