

A group of people wearing white protective suits and hives are gathered in a field, likely for a beekeeping activity. They are standing around a white beehive box. The background shows a line of trees with some autumn-colored leaves. The scene is outdoors and appears to be a practical application of agriscience.

**Spring Adult Education Classes  
at Nonnewaug High School  
Ellis Clark Regional Agriscience Program**

**Classes begin March 4, 2026**
