

Chambersburg Area School District
Return to School after Fever Protocol

- Fever is defined as oral/tympanic temperature of 100 degrees Fahrenheit or greater.
- Any student found to have a fever (as defined above) will be sent home/nurse dismissed for the rest of that school day.
- If the following day is also a school day, the student will be nurse dismissed for that date as well. Additional days off will require a parental or doctor's note.
- Students are not to return to school until they are fever-free (temperature less than 100 degrees) for 24 hours without the use of medicine (Tylenol, Advil, etc.)
