The vision of the DECAL Program is to provide the highest quality educational experience for every student in an effort to enhance individual growth in a challenging, safe, positive, nurturing environment.

OUR SCHOOL'S SCHEDULE

Seminole Middle School's block schedule offers students the most challenging and enriching curriculum in Broward County.

- Students attend eight classes (four each day).
- It gives core subject teachers the opportunity to focus and explore their content curriculum.
- It allows students to experience elective and enrichment courses that normally would not have room for in a traditional schedule.
- Schedules are customized to suit individual educational needs and explore their interests.

Creative Writing, and Robotics, are just a few of the many high interest enrichment courses designed to develop students in the areas of reading, math, writing and science.
