Kindergarten Registration FAQ

1.) Registration for Kindergarten is scheduled for the week of March. 9th -13th, between the hours of 10:00-3:00pm. Registration is by appointment only and families will need to sign-up for enrollment via a sign-up genius that is linked on our website and will be available **Monday. February. 9th, 2026.**

2.) Enrollment in Kindergarten is mandatory for children who will be five years of age on or before September 1st.

3.) Students may only be registered by their **custodial parents** or **court-appointed guardian.** (A stepparent or other family member may **not enroll** students). Parents **must** provide identification for themselves when they come to register their child.

4.) Incoming Kindergarten students will be allowed in the building during enrollment.

5.) Paperwork for registration will be available for pick up at CSE beginning **February 16th** and will be available from **9:30-3:00pm**. Paperwork is always available on our website and will be located on the home page. If current CSE families have an incoming Kindergartener and would like paperwork sent home with a current student, please send me the name and I will get them the paperwork.

6.) Registration will begin **March. 9th and go until March. 13th**. Appointments are available in fifteen-minute increments from **10:00-3:00pm**. There is no cut-off time for sign-ups, and the sign-up genius will be available through the **13th** for families to sign-up.

7.) If a family is unable to make the official Kindergarten registration week, they will still be able to register after that, but they will need to call the office and make a direct appointment with **Jennifer Turek** to register their student. My email is jlturek@carrollk12.org

8.) The only medical paperwork that is required for registration is the **Health Questionnaire** and **the student's up-to-date Immunizations**. The health packet is due in the summer and may be brought in prior to the first day of school.

9.) Once a student is registered, they will be given an assessment date for Kindergarten assessments.
