

MESSAGE FROM MHS ADMINISTRATION

We hope you are all staying warm and are starting to see some melting snow at your home!

It has been a great start to the spring semester. We are seeing great success among all of our winter sports/athletes. We are seeing great projects and exciting happenings in our classrooms. We are proud of all of our students and everything they bring to the table each day.

You should have received the first progress report of the semester last week. Please remain in conversation with your student and his/her teachers to ensure students stay on track academically and are achieving well.

We are excited to kick-off February. We have lots of exciting events ahead at MHS, including Student Professional Development Day, Renaissance performance of the Spring Play, Rally Day, and lots more. Read on in this newsletter to learn more about the upcoming events.

Thank you for all you do to encourage your student and help keep MHS a great place to serve. We hope you stay warm and safe through the rest of winter.
