

Oxford High School Global Honors Academy International Baccalaureate (IB) World School Frequently Asked Questions

What is Global Honors Academy?

Global Honors Academy includes the three OHS Honors Endorsement Pathways: Advanced Placement (AP), Dual Enrollment (DE), and International Baccalaureate (IB). All students pursuing OHS Honors Endorsement are automatically enrolled in the OHS Global Honors Academy.

What is the difference between AP, DE, and IB?

- Advanced Placement (AP) offers year long courses with the opportunity to earn college credit on the course AP Exams in May.
- Dual-Enrollment (DE) are semester-long courses taught in partnership with area colleges and universities. Potential college credit for DE classes comes from the student's college or university grades.
- International Baccalaureate (IB) classes are two-year long courses with multiple assessments used to determine college level credit.

Each Pathway is challenging, and the OHS advisement teams are prepared to help each student determine which path best meets his/her academic objectives.

How do I enroll in Global Honors Academy pathway classes?

Each OHS teacher discusses Honors course opportunities and makes recommendations, then, during Academic Advisement, the advisement team of the student, parent/guardian, teacher, and guidance counselor discuss recommendations and create each student's individualized class schedule.

If I am an Oxford City resident, do I need to complete a Global Honors Academy Application?

If you are an Oxford City resident, you do not need to complete a Global Honors Academy Application for AP or DE courses, but Sophomores (rising Juniors) interested in IB courses DO need to complete an application.

If I am NOT an Oxford City resident, do I need to complete a Global Honors Academy Application?

Oxford City Schools is accepting Non-Resident Tuition Based Enrollment **ONLY** for the full IB Diploma Programme. Rising Juniors interested in this opportunity must complete an application for IB Diploma Programme consideration. The application outlines details and tuition requirements.
