

JMS Athletic Gear Fund

8th grade IB community project

Nathan Shetty, Max Selover, and Antonio Estrada

About our project

Our project is about collecting quality sports equipment for middle school students at Joe Michell to play with at lunch.

We will have a donation box in the office February 1st - March 16 to collect **ONLY BRAND NEW** Footballs, Bouncy balls, basketballs, and soccer balls for our project.

We will also be at the Give and Take event on 2/7/2026 at Joe Michell to talk about our project and to collect donations.

Scan this QR code if you would like to donate to our project!

For further information you can contact us through our emails
