## 2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

### 2025-26 School Description and Mission Statement

Dear Hawthorne Families,

Hawthorne Elementary International Baccalaureate (IB) World School aims to develop inquiring, knowledgeable, and caring young people who help create a better and more peaceful world through intercultural understanding and respect.

As an authorized IB World School located in the northwest section of the City of Ontario, Hawthorne proudly serves approximately 564 students in Preschool, Transitional Kindergarten, and grades K–6. Our instructional program is grounded in inquiry-based, transdisciplinary learning units collaboratively developed by grade-level teams and aligned with the IB Primary

## 2025-26 School Description and Mission Statement

Years Programme (PYP) framework and Common Core State Standards.

In addition to strong academic instruction, Hawthorne emphasizes the social-emotional well-being of our students through Positive Behavioral Interventions and Supports (PBIS) and daily Social-Emotional Learning (SEL) lessons. We also prioritize Professional Learning Communities (PLCs) for our staff that collaborate to increase student achievement and engagement.

Our diverse student body represents a rich multicultural and multilingual community. Students benefit from a variety of intervention and enrichment opportunities, including i-Ready, Accelerated Reader, Bell-to-Bell Reading and Math Interventions, Physical Education, Think Together, instrumental music, Spanish instruction, and several after-school clubs offered through our Extended Learning Opportunities Program (ELOP). Student progress is monitored through required district assessments such as i-Ready benchmarks, trimester report cards, and additional formative and summative assessments within the IB program.

Hawthorne's Mission Statement fosters a love of learning, encourage students to try new and exciting things, and provide a strong foundation for lifelong success.

Hawthorne's Vision Statement empowers our community to make a positive difference.

At Hawthorne, we collaborate, evaluate, reflect, and enhance equitable systems that support all student learning. Through the use of data, best practices, and strong partnerships, we cultivate a growth mindset and empower students to become well-rounded, confident learners.

Thank you for being a valued part of our Hawthorne community. Go Hawks!

Sincerely,  
Karen Aristizabal  
Principal  
Hawthorne Elementary International Baccalaureate World School

## School Facility Conditions and Planned Improvements

Hawthorne School was built in 1958. The school has adequate space for teaching and learning, with a total of 30 classrooms. There are four permanent classroom wings, as well as 15 portable classrooms installed at various times between 1988 and 2007. The library/computer lab provides additional spaces for instructional purposes. The main office building contains the front office, principal's office, assistant principal's office, health office and staff lounge. In addition, we have an identified room for our Student Study Team and an identified room for our Parent Teacher Association. Several small storage rooms located around the campus have been remodeled and turned into office space for various staff members. The school has a large field and enough playground equipment for student engagement. There are 16 restrooms with all toilets in proper working condition. The 18 classes in the main building of the school and the administration building all underwent modernization in 2009. The classrooms have received upgraded electrical service, improved teaching furnishings, and regular ongoing technology upgrades. In addition, the modernization project addressed State Code Accessibility by providing accessible restroom facilities, accessible working space and sinks in classrooms, panic hardware at doors, door thresholds, accessible drinking fountains, and path of travel including ramps and curb cuts, passenger loading zone, bus drop-off, accessible parking, and signage. There are no current or planned facility improvements.

The Multipurpose Room (MPR) is utilized daily for food service distribution during breakfast and lunch for all students as well as for school-wide events for students and families. There is a teaching space on the MPR stage and an assembly area to hold large school-wide events with a capacity of 507. The MPR is also utilized as an alternative location for inclement weather recesses. The MPR also serves and supports our Think Together and Extended Learning Opportunities Program (our after-

school programs) in whatever capacity that is needed daily or on identified Saturdays. Perimeter fencing was upgraded during the summer of 2020 per district guidelines.

### Student Safety

Students are supervised immediately before and after school by staff. Security gates have been installed at the front of the school. Security cameras have strategically been placed for the safety of our staff, students and parents throughout our campus. Hawthorne is a closed campus. All students, parents and other visitors enter the school through the front gates each morning. Teachers have been directed to keep their classroom doors locked at all times throughout the instructional day. Clearly, defined boundary lines are visible to all students to indicate accessible student zones to ensure appropriate supervision. All visitors are asked to check in at the front office through the Raptor security system and must wear a visitor badge to show that they have done so. District employees and substitutes all wear district-issued identification badges and must also check in at the front office through the Raptor system. Students who leave early must be checked out through the front office by parents or guardians. All staff members are diligent about being aware of adults on campus at all times. Visitors without visitor badges are escorted to the office. Monthly fire, earthquake and lockdown drills are conducted so that students and staff have an opportunity to practice in the case of an actual disaster. A schedule of emergency drills is submitted to the district office prior to the beginning of each school year. We have an identified location where we keep all of our emergency supplies. All supplies are regularly inventoried.

### Maintenance and Repair

The district governing board has adopted cleaning standards for all schools in the district and Hawthorne School is maintained in a manner that ensures it is clean, in good repair and working order. The principal works directly with the custodial staff and district office to develop cleaning schedules to ensure all classrooms, offices, and restrooms are cleaned daily. Restroom checks are done periodically and documented throughout the day to ensure clean, well-maintained accessibility to all students and staff. Efforts are made to keep the school litter and graffiti-free by daily walk-throughs for campus checks and student awareness. The principal and custodian work together to maintain a clean and orderly campus. Hawthorne school has many murals throughout the campus that have been painted by local artists, parent volunteers and students. Many of the murals depict standards based instruction that Hawthorne teachers provide daily. The district takes great effort to ensure that all schools are clean, safe and functional. Site and district maintenance and grounds staff make sure that the work necessary to keep the school in good repair and aesthetically pleasing are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The floors, walls, and plumbing system are all in exemplary condition. To complete the FIT report, Operations Department conducts an annual in-depth evaluation of each school to determine the condition of the facilities and identify situations that need maintenance, repair or an upgrade. The district uses a facility survey instrument developed by the State of California Office of Public School Construction to assist with the data gathering during the inspections.

At the time of publishing, a facilities inspection had been conducted on 10/23/2025. There were no extreme deficiencies noted.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

<b>Mathematics</b> (grades 3-8 and 11)	31	29	31	34	35	37

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

Hawthorne Elementary IB World School is a member of OMSD's Family and Student Collaborative Services. Through this partnership, the school is able to offer students and families counseling and case management services. Hawthorne PTA provides ongoing financial support for student incentives for academic achievement and student engagement. Community partnerships provide incentives for our students' academic and attendance performance.

Parents are also encouraged to join the Hawthorne IB Parent Committee, which helps to design and promote action programs within the school and global community. Hawthorne's after-school programs such as Think-Together Program Leaders and Extended Learning Opportunity Program (ELOP) collaborates with Hawthorne School site administration and teachers to support student achievement by consistent involvement and voice in staff meetings, PLCs, and other support meetings. As funding became available, intervention programs were provided, bell to bell instructional time to identify at promise students.

All Hawthorne parents and families are notified about various opportunities to be part of the Professional Learning Community that promotes a shared responsibility and effective parental involvement in the school. All notifications, agendas and minutes are available in both English and Spanish, as well as the availability of a Spanish Interpreter at all site events. Parent information is shared during Back to School Night and Open House to inform parents and families of the services available to students that are funded by categorical budgets, at monthly Coffee with the Principal meetings, and various parent informational meetings and school events. School to home outreach also utilizes an all school phone connect system, school website and several social media outlets to keep parents informed.

Funding for the action steps outlined below has been approved in our current SPSA based on our previous analysis. Proposed expenditures for categorical budgets are presented to the Hawthorne Leadership Team, staff and School Site Council (SSC) for a vote approval. Proposed staffing and programs funded by categorical budgets are presented to SSC for a vote approval. Proposed expenditure plans made available by categorical funds are shared with all parent groups for the purpose of including all stakeholders.

## 2025-26 School Safety Plan

Hawthorne Elementary School's Comprehensive Safe School Plan (C.S.S.P.) is current and was updated in July 2025. The plan was recently reviewed and discussed with the staff in December 2025. The key components of the plan include: maintenance, security and safety of the physical environment, school climate which addresses disaster procedures and routines, an action plan that ensures a safe physical environment and safe school climate, as well as our school safety compliance that ensures required child abuse reporting procedures, suspension and expulsion policies, due process, notification to teachers about dangerous pupils, sexual harassment policy, school-wide dress code, procedure for safe ingress and egress from school, procedures to ensure a safe and orderly environment and rules and procedures on school discipline. Monthly disaster drills are scheduled and practiced school-wide to ensure student safety procedures. Our C.S.S.P. includes updated student Individual Health Plans with support from our Nurses and Health Aides. We are a zero tolerance school in regards to bullying. Incentive programs are in place to support our anti-bullying policy. Non-confidential portions of the safety school plan are made available to our school community in our annual Hawthorne Elementary School Parent/Family Handbook upon request.

## Professional Development

Building capacity in the Hawthorne staff is a high priority! Hawthorne Elementary School is an authorized International Baccalaureate (IB) World School and therefore ensures that all staff receives the required training. Another high priority in staff development for the Hawthorne staff continues to be in the area of Common Core Standards for both ELA and in Math. Continued training in the focus areas of student engagement, PLCs, PBIS, IB, ELD, ELA, Kagan, math and technology and are also a high priority. Training and school-wide initiatives will continue to occur in the areas of IB, PBIS, Concept-Based Learning and other strategies that support student achievement. Professional development is based on district initiatives and data results from student performance, as well as site Leadership Team decisions. All students are assessed regularly using formative assessments and assessment results are discussed at PLCs. It is during that time that a review and interpretation of all student data occurs. Release time during the school day is provided so that teachers in all grade levels are able to work closely with the site instructional coach, IB Coordinator and Administration in developing instructional next steps along with identifying students who would benefit from intervention opportunities. Grade level goals and intensive instruction are agreed upon for classroom teaching. Teachers are additionally supported by coaching cycles, classroom visits, grade level collaborations as well as bi-weekly staff meetings.

This table displays the number of school days dedicated to staff development and continuous improvement.
