## 2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

## 2025-26 School Description and Mission Statement

Vineyard Elementary School is an award winning, TK - 8th grade STEM magnet school in the Ontario-Montclair School District. Vineyard STEM is a P21 Exemplar school, an International STEM School of Excellence, and a PLATINUM recognition PBIS School.

Our Mission: We provide a unique and integrated learning experience through Science, Technology, Engineering and Math. All students participate in an enriched academic program to develop STEM learning skills that include collaboration, creativity, communication and critical thinking. Our Vision: At Vineyard STEM, our goal is for all students to become active, compassionate, and innovative leaders in their community. We work to achieve this vision by providing learning opportunities

## 2025-26 School Description and Mission Statement

that lead to mastery of content standards in all grade levels, developing - Empowered Learners Today, Innovative Leaders Tomorrow.

Distinct opportunities for students at Vineyard STEM include conducting experiments in our science lab, developing technological skills through the use of various devices, and relevant and engaging experiences in our makerspace. In addition, each grade level, TK - 8, has developed a STEM integration plan that provides students a variety of rigorous, engaging, and relevant learning opportunities. Each grade level has specific learning projects that are defined in our TK - 8 STEM progression, and our campus Professional Learning Teams, have worked to develop strong college and career partnerships that help foster our college-bound, career-driven culture. Differentiated instruction takes place on a daily basis to meet the needs of all students through gradual release of instruction, academic and behavioral intervention, English Language Development, and GATE. Extracurricular activities include after school clubs and sports, student leadership and music.

The Vineyard STEM staff is composed of a group of dedicated individuals whose focus is to provide a world-class education to all of our students. The general education staff consists of 1 Transitional Kindergarten (TK) teacher and two TK - Instructional Aides, and 2 teachers in most grade levels Kindergarten - 8th, except for first with 1.5 teachers, and seventh and eighth with 3 teachers each. Vineyard STEM staffing also includes 1 Physical Education teacher, and 1 part-time music teacher. The special education staff consists of: 2 full-time RSP teachers and 2 Instructional Aides, a part-time Speech and Language Pathologist and Speech and Language Pathologist Aide, and a part-time School Psychologist. Clerical support is composed of: an office manager, two office clerks, a full-time Licensed Vocational Nurse (LVN), and part-time School Nurse. Our support staff team consists of: Assistant Principal, Counselor - Outreach Consultant, Instructional Coach, an Extended Learning Opportunity Program (ELO-P) Coordinator, a Student-Family Outreach Assistant (SFOA) and and a Student Mentor. Additional support for our academic intervention program includes 1 Instructional Aide. Three custodians and 6 proctors assist in ensuring a clean, safe, an orderly learning environment on a daily basis, with four members making up our Cafeteria team. We also provide additional learning experiences provided by our physical education team, and community partnerships through our ELO-P services. Our part-time Library/Media Assistant is on site daily to support students with checking out books.

Parent and community involvement is an integral and growing part of the educational experience and community-driven culture at Vineyard STEM. Opportunities for families to be directly involved in Vineyard STEM include:

- Monthly Coffee with the Principal meetings
- School Site Council
- GATE Parent Meetings
- Special Education Parent Meetings
- SELPAC Meetings
- Parent Teacher Organization

Student mastery of grade-level content standards is a key focus at Vineyard STEM. Our instructional initiatives are centered around gradual release of teacher and learning and differentiated learning through authentic engagement strategies, increased rigor level, structured academic language, and STEM integration. These instructional areas of focus serve to best prepare our students to achieve academic success on common core state standards, and beyond. We celebrate and recognize student achievement during student of the month assemblies, honor roll ceremonies and California Assessment of Student Performance and Progress (CAASPP) celebrations.

Vineyard STEM truly provides a dynamic learning experience for all students on a daily basis.

## School Facility Conditions and Planned Improvements

Vineyard STEM Magnet School first opened for instruction in 1958. The site has 9.34 acres of usable space. There are 98,065 square feet of asphalt, which includes playground and parking. The school originally had 16 classrooms and an administration building. A wing of 4 classrooms was added to the original site in 1961. Each classroom is approximately 960 square feet. Thirteen portables have been added between 1986 and 2011 to augment the original classrooms. Currently, thirty-two rooms are for student learning. Twenty-five of the rooms have general education students; three classrooms are used for special education, one room is our Learning Lab - intervention room, one room is a science lab, one room is for technology, the STEM Maker Space, and one room is used as the school's library. Vineyard has a covered lunch area that is used primarily for gathering students before or after a field trip. A Multi-Purpose Room (MPR) was added in 2006 and is used by students for meals and assemblies. There are three playground areas. The first is the Kindergarten playground, which has 4 swings, 1 metal slide, team totter apparatus, a rocking seat, and a ladybug rocking seat. The Primary playground has safety compliant equipment for student play partially enclosed in a fiber ground. The equipment in the fiber ground includes 8 swings, 1 metal slide, 3 plastic slides, a plastic corkscrew climbing unit, metal monkey bars, and a three-foot plastic climbing wall. There are 7 tetherball courts on the blacktop area. The Upper-Grade playground has lateral bars, four swings, monkey bars, climbing apparatus and a balance beam. A blacktop area includes 6 tetherball courts, 2 basketball courts, and 2 volleyball courts. In addition, on the black top on the upper-grade playground there are two table tennis games. There is 1 backstop for softball and metal goal posts for soccer/football playing fields. The 21 restrooms on the site contain 34 commodes and 13 urinals, with 100% in working condition. In 2026 a shade structure with picnic tables was added to the upper-grade playground area.

## School Facility Conditions and Planned Improvements

The school facility offers a good learning environment with fully functioning lighting, heating and cooling systems and noise negation. All classrooms and offices are well maintained with alarms, telephones and have access to Internet connection. The campus has wireless capabilities. All classrooms have a laser printer. In addition, the library, science lab, Learning Lab and Maker Space also have laser printers. The district Information Services Department maintains a content filter for all Internet traffic, including email, in accordance with the Children's Internet Protection Act (CIPA) guidelines. Students are provided a safe and clean learning environment throughout the campus.

### School Safety

To promote safety, Vineyard STEM is a closed campus; gates are closed during the school day and visitors must enter through the main office to sign in at front desk prior to entering school premises. Visitors must present their California ID badges and staff must present their district badge through our RAPTOR system. Signage has been placed at all gates directing visitors to check in at the office. All staff members have been provided with district ID badges. Vineyard STEM Magnet School offers student supervision before school, during school and after school. Supervision in the mornings is done by administrative team, support team, and proctors. Recess duty supervision is offered by teachers and proctors. Adult proctors supervise lunch and lunch recess. After school supervision is offered by administration team, support staff as well as teachers.

### Maintenance and Repair

Ontario-Montclair School District (OMSD) maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Planned facility improvements include upcoming building painting, and re-paving the blacktop..

The OMSD takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the OMSD uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available at the school office or Ontario-Montclair School District office. The LEA governing board has adopted cleaning standards for all schools in the Ontario-Montclair School District. A summary of these standards is available at the school office or at the Ontario-Montclair School District office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

OMSD participates in the state's School Deferred Maintenance Program, which provides state matching funds in order to assist schools with the expenditures for major repairs and upgrades. Typically, this includes the following: roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor, and carpeting. Each year the district matches the required allotment set by the state in order to participate in the deferred maintenance program.

On an annual basis, the San Bernardino County Superintendent of Schools conducts Williams visits to monitored school sites to evaluate sufficiency of instructional materials and to ensure that school site facilities are in good repair. Our District Operations Department completes a facilities inspection annually. The most recent facilities inspection was completed in December 2025.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

Grade 7	98.80%	100.00%	100.00%	100.00%	100.00%

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

We welcome parents to come to our campus. Parents are encouraged to volunteer in the classroom, participate in school events, such as: Open House, Back-to-School Night, Parent-Teacher conferences, and field trips, be involved with clubs and athletics, and to get involved in the decision-making process through school committees. The School Site Council, GATE Parent meetings, School English Language Parent Advisory Committee (SELPAC), and Students with Disabilities Parent meetings, as well as Coffee with the Principal, provide opportunities for parents to get involved with their child's educational experience.

Regular school-to-home communication is provided in both English and Spanish. Information about current events and school activities can be found on the Vineyard STEM Magnet website, on flyers, the school's automated telephone system to contact parents verbally, through text messages to parents via Blackboard Connect and via our social media platforms. Vineyard STEM also mails important news and announcements to families at home.

Opportunities for families to be directly involved in Vineyard STEM include: Monthly Coffee with the Principal meetings during which parents can ask questions, provide input on school-related issues, are provided important school related information by school staff. The committees listed below are an integral part of the joint effort to develop the single School Plan for Student Achievement (SPSA), which serves to allocate school resources to best support ALL students at Vineyard STEM.

- School Site Council (SSC)
- School English Learner Program Advisory Committee (SELPAC)
- GATE Parent Meetings
- Students with Disabilities Parent Meetings
- Ongoing Workshops presented by our Family & Community Engagement Dept.

To inquire about volunteer opportunities, contact Office Manager, Georgina Reddick: (909) 984-2306.

## 2025-26 School Safety Plan

The Comprehensive School Site Safety Plan (CSSP) was developed for Vineyard STEM Magnet School in collaboration with local agencies and the district office. Components of the plan include: maintenance, security and safety of the physical environment, school climate which addresses disaster procedures and routines, an action plan that ensures a safe physical environment and safe school climate, as well as our school safety compliance that ensures required child abuse reporting procedures, suspension and expulsion policies, due process, notification to teachers about dangerous pupils, sexual harassment policy, school-wide dress code, procedure for safe ingress and egress from school, procedures to ensure a safe and orderly environment and rules and procedures on school discipline. Monthly disaster drills are scheduled and practiced school-wide to ensure student safety procedures. The plan was most recently reviewed and discussed with the staff in December 2025. School Site Council last approved the Vineyard STEM Magnet School Safety Plan in November 2025. An approved copy of the school site safety plan may be obtained at Vineyard STEM Magnet Schools main office or the Ontario-Montclair School District office.

## D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

## 2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students

## 2024-25 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	0

## 2024-25 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. The "Other" category is for all other student support services staff positions not listed.

## Fiscal Year 2024-25 Types of Services Funded

Vineyard's categorical funds are used for a variety of services including Intervention Teacher, Student Mentor and a STEM Magnet Coordinator. In addition, the funds are also used to provide classroom substitute teachers, and professional development for all staff members. During family events, parent workshops, meetings and parent conferences we offer babysitting and interpretation services as a community resource for our families to encourage parent involvement. By providing the necessary support and resources families can help their children achieve academic success. These funds are used to provide support personnel, programs, materials and resources to best meet the needs of all students.

## Fiscal Year 2023-24 Teacher and Administrative Salaries

This table displays the 2023-24 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

## Professional Development

Professional development opportunities for teachers at Vineyard STEM include staff development, District trainings on adopted curriculum in ELA, Math and Science, on-site coaching opportunities aligned to site ELA and Math site focus areas, and ongoing analysis of student data. In addition to professional development meetings, there are weekly professional learning community (PLC) meetings for continuous improvement.

This table displays the number of school days dedicated to staff development and continuous improvement.
