2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2025-26 School Description and Mission Statement

Mission Statement

Serrano Middle School facilitates student success through a challenging, inclusive learning environment grounded in high expectations, academic excellence, and student-centered practices.

Serrano Middle School is a high-achieving, student-centered school committed to ensuring all students reach their full potential. Instruction is supported by current educational technology and digital tools that enhance collaboration, engagement, and personalized learning across all classrooms. A comprehensive professional learning plan supports staff in integrating technology and research-based instructional practices to improve student learning outcomes.

2025-26 School Description and Mission Statement

Serrano is recognized as a National AVID Model Demonstration School, where students receive rigorous, scaffolded instruction that prepares them for success in high school, college, career, and life. Dedicated teachers utilize proven, research-based strategies to promote academic achievement, critical thinking, and student agency.

Serrano's strong tradition of academic achievement is reflected in sustained performance and growth in mathematics and English Language Arts, as well as consistent recognition for student attendance. In addition to core academics, Serrano offers a wide range of enrichment opportunities and over 25 courses spanning world languages, performing and visual arts, STEM, leadership, athletics, and academic support, including high school credit options. These programs complement and extend classroom learning while promoting student engagement and participation.

The Serrano staff are deeply committed to meeting the academic, behavioral, and social-emotional needs of early adolescents. The school employs a comprehensive support team that includes a School Counselor, Outreach Consultant, Alternative Learning Classroom Teacher, Instructional Coach, School Family Outreach Assistant, and Student Mentors. This team identifies student needs and provide targeted interventions and enrichment opportunities. Together, these supports ensure every student has access to the resources necessary to thrive.

Students are provided with multiple opportunities to excel before, during, and after school. Achievements are celebrated through recognition assemblies, performing arts showcases, extended learning opportunities, and athletic competitions. Serrano continues to prioritize positive school climate and student well-being through a school-wide implementation of Positive Behavior Interventions and Supports (PBIS). The school has earned consistent recognition for excellence in PBIS implementation, including Silver, Gold and Platinum level distinctions through 2026.

To support continuous improvement, teachers engage in ongoing professional learning aligned to California Content Standards and utilize multiple assessment measures including diagnostic, formative, and performance-based assessments to inform instruction. Data is used collaboratively to support instructional planning and student growth. Mathematics and English Language Arts instruction is further supported by dedicated intervention teachers who provide targeted support to students working toward grade-level proficiency.

At Serrano Middle School, we are committed to fostering academic excellence, personal growth, and social responsibility, preparing students not only for their next academic steps, but for meaningful participation in their communities and beyond.

School Facility Conditions and Planned Improvements

Serrano Middle School is over fifty years old and has adequate space to accommodate all classes, including playing fields and courts for P.E. The school has twenty-eight permanent classrooms, boys' and girls' locker rooms, a staff room and seven portable classrooms. There is a dedicated health office, staffed by a full time Licensed Vocational Nurse. There is a multipurpose room, which serves as an auditorium and cafeteria. There is also a covered outdoor eating area and an outdoor assembly area. Serrano has 12 restrooms, all of which are in working order. All classrooms have a Bogen phone system, SMART board, document camera, computers with internet connection and a printer. In April 2022, Serrano Middle School completed construction and opened a Wellness, Arts and Technology Center. This 17,673 square foot facility includes a gym with two basketball courts that convert into volleyball courts, a performance venue equipped with audio/entertainment system, a multi-media collaboration space and a makerspace where students can create, problem solve, and develop skills, talents, thinking, and mental rigor with a focus on STEM.

Student Safety:

Serrano Middle School maintains a safe and clean environment, both on the school grounds and in the classroom. Select personnel (teachers, administrators, custodial, clerical, CSO, LVN) are issued radios to communicate throughout campus. Students are regularly supervised before, during, and after school hours by staff and administration. All outside visitors are required to sign in at the front office and wear a visitor's identification tag if moving to any other area of campus. All visiting district personnel are required to wear easily viewed identification badges. Every classroom is equipped with a Bogen phone system, which has access to office staff and emergency response agencies. The phone system was upgraded in the Fall of 2019 and works in conjunction with the PA system. We have an OMSD grounds crew on site weekly maintaining the grounds and the operations department is on site as needed per work order requests to maintain the facilities.

Cleanliness:

Serrano Middle School makes cleanliness a priority and ensures a clean and sanitary environment daily. Each night, Serrano's custodial staff cleans and maintains its facilities in accordance with district guidelines. Custodial staff use the district adopted cleaning products and chemicals to ensure proper safety and sanitation requirements. Serrano's campus and grounds are maintained by both Serrano's custodial department and the OMSD Ground Maintenance and Operations departments. Together we are able to provide a clean, orderly, and safe campus for students, staff, and our families. We have the Grounds crew here weekly maintaining the grounds and the Operations department is here as needed per our work order requests to maintain the facilities.

Maintenance and Repair:

Serrano is maintained in a manner that assures it is in good repair and functional. The administration meets with the head custodian daily and works with the entire custodial staff (3 custodians plus 1 - 2 hour custodian) to make certain a daily cleaning schedule is maintained so classrooms, restrooms, and the school grounds remain clean, safe, and orderly, and that

School Facility Conditions and Planned Improvements

the floors, walls, and plumbing system are all in good repair. The plumbing system is functional and good repair, with all toilets and sinks in good working condition. Site and district maintenance and grounds staff make sure that the work necessary to keep the school in good repair and aesthetically pleasing is completed in a timely manner. Graffiti is cleaned up and called into local agencies the same day; frequently the response time is within an hour. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

To assist in this effort, the district's Operations Department conducts an annual in-depth evaluation of each school to determine the condition of the facilities and identify situations that need maintenance, repair, and/or an upgrade. The district uses a facility survey instrument (FIT developed by the state of California Office of Public School Construction to assist with the data gathering during the inspections. All findings are shared with the principal and work orders for needed repairs are created at that time. The results of this survey are available at the school office or the district office. The most recent FIT administration took place on 9/12/2025. Serrano received an overall rating of "Good," with all 8 categories (systems, interior, cleanliness, electrical, restroom/fountains, safety, structural, external) noted as being in good repair and an average of 98.24%. At this time, there is no needed maintenance to ensure good repair.

Planned Improvements:

There are no current or planned facility improvements

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Serrano Middle School encourages meaningful parental involvement through programs and services that stimulate student motivation, success, and emotional support. These programs include Serrano School Site Council, English Learner Advisory Council, GATE Parent Advisory Council, Special Education Parent Advisory Council, Awards Assemblies, Fall and Spring Student-Led Conferences, Open House, Back-to-School Night, Parent Focus Nights, Parents as Partners Workshops, Targeted Redesignation Nights, Coffee with the Principal, AVID Parent Nights and New Student Orientation. Parents also have resources at home to help their children academically. Each student (and parent) has access to Parent Square which is an integral tool for parents, students and teachers to communicate regularly. Parent Square allows each group to regularly monitor academics and attendance, in addition to getting regular communication updates about all important events at Serrano Middle School and in the Ontario-Montclair School District. BlackBoard Connect is utilized to broadcast general district and school information. It is also used for emergency communications and is tailored for specific group information by language and program status. Home visits are made by our staff to ensure that families are receiving the support services necessary to help students and families be successful.

Parents are encouraged to become involved, attend in person advisory committees and offerings, and develop relationships with their child's teachers and our staff. They are invited to participate in District and Community Conferences and work collaboratively with the Principal, Assistant Principal and staff so that families and students of Serrano Middle School always feel welcome.

2025-26 School Safety Plan

Serrano Middle School maintains a safe and clean environment, both on the school grounds and in the classrooms. Students are regularly supervised before, after, and during hours by staff and administration. We greet all students in the morning and they are required to enter through one main entrance. During the day all main gates are locked and students are not allowed to leave campus without being processed by our main office. All outside visitors are required to enter through one entrance that leads to our main office. All visitors must sign in at the office and wear a visitor's identification badge if moving to any other area of Serrano's campus. All visiting District personnel are required to wear easily viewed identification badges. Every classroom is equipped with a telephone, which has access to office staff and emergency response agencies. The phones also serve as a loudspeaker system. Bogen, an indoor and outdoor intercom system is operational, as well as surveillance cameras in high traffic areas. Serrano Middle School utilizes the services of one Campus Safety Officer and two Student Mentors to assist with campus safety, student well-being, and supervision. OMSD partners with the Montclair Police Department to provide schools with additional school safety. The School Safety Plan is reviewed annually and updated by the Principal and the safety committee. The plan is reviewed with the staff annually at a staff meeting prior to the opening of each school year. The plan was last updated in September 2025. The School Safety Planning Committee and the SSC meet, review and approve the School Safety Plan and adjustments are made as needed in accordance with all state and local health and safety guidelines.

Procedures (Drills) in the Emergency Plan are practiced on a monthly basis and include the following:

- Fire: Practice systematic evacuation procedures in case of fire
- Earthquake: Practice drop, cover and hold on protocols including evacuation procedures in the classroom in case of an earthquake
- Violent Intruder/Lockdown: Practice lockdown procedures in the classroom in case of an intruder
- AED: Practice automated external defibrillator protocols

Key elements of the plan include the following:

1. A disaster preparedness plan with identified personnel and assigned teams
2. Ten scheduled disaster preparedness drills
3. School rules and discipline procedures communicated to students
4. Staff training reviewing the current behavior management and safety systems

Additional Serrano Middle School Emergency Preparedness procedures that are in place in the front office include:

- RAPTOR Check-in System
- Immediate recognition
- Warning signals

Fiscal Year 2024-25 Types of Services Funded

Serrano Middle School has services funded through several different categorical funding sources. Serrano is a school-wide Title 1 school. Our School Site Council and Instructional Leadership Team convene on a regular basis and determine which services and programs are needed to best serve our current population of students. Ontario-Montclair School District is providing funding for services that include; a full-time Counselor, Alternative Learning Classroom teacher, Outreach Consultant, Campus Safety Officer (CSO), one ELA Intervention teacher, one Math Intervention teacher, and two Student Mentors. Serrano Middle School provides categorical funding for one additional Student Mentor that provides both social-emotional and academic support to our student body. These services and programs help Serrano achieve its goals for staff development, student achievement, and our goals outlined in our School Plan for Student Achievement (SPSA). Additionally, categorical funds provide for additional instructional supplies and materials that help aid in our instructional delivery of core content standards. These types of services are continually monitored by our School Site Council and our Parent Advisory Committees to make sure that our students are being served according to our goals outlined in our SPSA and that our parents have a voice in both creating and monitoring these services for efficacy throughout the year. Progress monitoring is communicated regularly to our parents from these committees in both printed and digital formats.

Fiscal Year 2024-25 Types of Services Funded

The following services and programs are offered and/or funded by either an outside funding source or through Serrano Middle School's categorical budget. Serrano's budget has been approved by Serrano School Site Council and its voting members (Approved: September, 2025).

1. Montclair After-school Program (MAP): After-school program through the City of Montclair.
2. I-Lit (Inspire Literacy-Comprehensive Reading Intervention Program): Funded by the Ontario-Montclair School District
3. AVID (Achievement Via Individual Determination) - Categorically funded by Serrano. AVID Tutors are also funded categorically by Serrano Middle School.
4. Targeted Math and ELA intervention Classes: Two Intervention teachers and Intervention programs have been categorically funded by Serrano and the Ontario-Montclair School District.
5. Data/Instructional Coach: Categorically Funded by Serrano Middle School.
6. Alternative Learning Class: Funded by the Ontario-Montclair School District
7. School Family Outreach Assistant: Funded by the Ontario-Montclair School District

Professional Development

Serrano Middle School offers research-based, ongoing professional development for both classified and certificated employees that is aligned with OMSD initiatives and 5-year Action Plan. Professional development is built around both site identified needs and district initiatives. Professional Development for the site is discussed by staff and administrators and is delivered during staff meetings, district workshops, and professional conferences. The 2025-26 school wide focus is on Learning Targets, SEL Lessons, Writing and Gradual Release Model of Instruction. Additionally, teams of teachers are trained in data analysis and AVID strategies. All training and professional development will ensure the needs of all students (English Learners, Students with Disabilities, and Socio-economically Disadvantage) are met and considered in the classroom. Serrano Middle School utilizes an Instructional Coach to support students and teachers on a dally basis through model lessons, team teaching, and observations and feedback.
