

COMPUTER SCIENCE

Computer Programming

Open to grades 9 – 12

Intended for beginners with little to no experience

Counts as HS Practical Art and a UC/CSU 3rd or 4th year of Science credit

Prerequisite: passed Alg 1 with a C or better

AP Computer Science A

Open to grades 10 – 12

Weighted course that counts as HS Practical Art and a UC/CSU 3rd or 4th year of Math credit

Prerequisite: passed Comp Prog with a C or better and/or Alg 2 with a B or better

Honors Computer Science AB

Open to grades 11 – 12

Weighted course that counts as HS Practical Art and a UC/CSU 3rd or 4th year of Science credit

Prerequisite: passed AP Comp Sci A with a C or better

Do you love math and science?
Are you looking for a fun yet challenging elective?
Want to improve your critical thinking skills?
A Computer Science class might be right for you!

```
public static void incrementFives(ArrayList<Integer> nums)
{
    for(int i = 0; i < nums.size(); i++)
    {
        if(nums.get(i) % 5 == 0)
            nums.set(i,nums.get(i)+1);
    }
}
```
