## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

## General Information about the School Accountability Report Card (SARC)

### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

A Message from the Principal:

Ronald Reagan Academy provides students with an individualized educational program towards graduation. Students meet an average of once per week with their instructor and are required to complete a minimum of 20 hours of academic work per week. Students completing English or Math are also required to attend the designated class one time a week for 1.5 hours each session depending on the courses needed to complete in order to graduate. Students meet with their instructors in office cubicles in one of two classrooms on the Ronald Reagan Academy campus. Students are provided with content specific work packets on a weekly basis that are to be completed at home and turned in to their teacher the subsequent week. Each packet is worth one credit. Students must complete an end of unit assessment before moving onto each subsequent packet. The hour that students spend with teachers is tentatively scheduled as 15 minutes for review of homework, 30 minutes of instruction and 15 minutes to review new homework assignments.

Ronald Reagan Academy provides an alternative education placement to those students who function best in a highly individualized and minimal school setting. Because student work is primarily completed independently, Ronald Reagan Academy is reserved for students who have evidenced ability to work independently and with minimal academic support.

A Ronald Reagan Academy task-force is currently working on updating all course curriculum that aligns with common core standards.

Focus for Improvement

The focus of improvement for Ronald Reagan Academy is based on the following as recommended by our Mid-Cycle WASC review completed during the Fall Semester of the 2019-2020 school year:

Recommendations

1. The school site administration needs to allocate the appropriate resources to hire a full time FTE English Teacher to provide English Instruction as well as ELD Instruction.

## 2023-24 School Description and Mission Statement

2.The school site staff needs to rewrite their course materials to reflect on implementing the common core curriculum

3. The school site and district administration need to evaluate the process for referring students to RRA and closely monitor the placement of ELD and SPED Students.

4. The school site staff need to increase the accessibility  and usage of technology by staff members and students.

5. The school site staff needs to create a plan that leads to a greater awareness, involvement, and responsibility of all stakeholders in the school's on-going journey of continuous improvement

During the Spring Semester of the 2022-2023 School Year, Ronald Reagan received a 3 year WASC Accreditation

All school site buildings are well lit and secured by gates that are locked at night. All parking lots are well lighted for added security.

Ronald Reagan facilities consist of an office and two classrooms. One classroom holds 6 cubicles that teachers use to meet individually with students. The other classroom holds 3 cubicles and tables and chairs for online and full course instruction. Ronald Reagan students also have access to the Sierra Vista High School campus library, computer lab and multi-purpose room that students utilize for breakfast and lunch.

The computer lab provides Ronald Reagan students and staff with access to 20 total computers available for student use. The library provides students with 6 desktop computers.

As a school site we are always being pro-active in looking for facility improvements that will positively impact our students and their learning. Dinuba Unified and the Alternative Education staff are committed to providing facilities that are safe and up to date to serve our students, families, and community.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

**Statewide Assessments**
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

**College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2021-22 | School 2022-23 | District 2021-22 | District 2022-23 | State 2021-22 | State 2022-23 |
|---|---|---|---|---|---|---|
| **English Language Arts/Literacy** (grades 3-8 and 11) | 28 | 23 | 46 | 44 | 47 | 46 |
| **Mathematics** (grades 3-8 and 11) | 3 | 5 | 25 | 27 | 33 | 34 |

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

### 2023-24 Opportunities for Parental Involvement

School Site Council and English Language Acquisition Committee

All new students enroll at Ronald Reagan accompanied by at least one parent to meet with administration. At that time, rules, regulations, graduation and program requirements are reviewed. Parents are encouraged to meet or call administration/staff regarding their students' progress and to share any concerns. Our School Site Council (SSC) and ELAC meetings are also ways in which we involve parents (temporarily held virtually via Zoom).

Home Visits and Conferences

Teachers and staff also make regular contact with parents regarding attendance, behavior and academic performance and phone and one to one parent conferences and home visits are held often to address student needs. Every six weeks a progress report is sent home via mail giving parents an update on their student's academic progress.

Parent conferences are held between counselor, teacher, parent and students as needed to provide student and parent with information regarding student progress or lack there of.

If you would like more information about Parent Engagement Opportunities please contact :

Please feel free to contact Mrs. Denna Schaub, Ronald Reagan Academy Administrative Assistant at 555-595-7240 with any additional questions.

## 2023-24 School Safety Plan

Ronald Reagan Academy and Dinuba Unified School District see the safety of our students and staff as our utmost priority. The Ronald Reagan administrative team monitors school grounds, via surveillance cameras, before the start of each day and throughout the afternoon. All campus visitors must register with the office and wear a visitor badge while on campus for safety purposes. We hold fire and lockdown drills each school year with staff and students.

Our safety plan is updated annually. All staff members are kept up to date on any safety measures that pertain to Ronald Reagan Academy and how to keep their classrooms safe for students and staff. All staff is trained on safety measures at the beginning of the school year and throughout the school year as well. Administration and Ronald Reagan staff work to maintain a safe and inviting campus culture, where students feel safe to learn and teachers feel safe to teach.

Ronald Reagan also has access to an SRO Officer with Dinuba PD to handle any legal issues that may arise on campus.

## Professional Development

Focus for Improvement

The focus of improvement for Ronald Reagan Academy is based on the following as recommended by our Mid-Cycle WASC review completed during the Spring Semester of the 2022-2023 school year:

Recommendations

## Professional Development

1. The school site administration needs to allocate the appropriate resources to hire a full time FTE English Teacher to provide English Instruction as well as ELD Instruction.

2.The school site staff needs to rewrite their course materials to reflect on implementing the common core curriculum

3. The school site and district administration need to evaluate the process for referring students to RRA and closely monitor the placement of ELD and SPED Students.

4. The school site staff need to increase the accessibility and usage of technology by staff members and students.

5. The school site staff needs to create a plan that leads to a greater awareness, involvement, and responsibility of all stakeholders in the school's on-going journey of continuous improvement

As a result, RRA Staff will be provided the following:

A one-hour professional development block of time is now embedded into the Ronald Reagan weekly program schedule.

Professional development in common core and technology are embedded into this time frame.

In addition, RRA has a staff development day set aside for all teachers at the beginning of the year to go over all paperwork related to their teaching assignments in independent study.

We also have our STS (site technology specialist) work with each teacher to maximize the technological resources available.

Administration also attends an annual Independent Study Compliance Conference to ensure that we stay current with independent study policies and practices.

This table displays the number of school days dedicated to staff development and continuous improvement.
