JULY 12-25, 2026

HOTCHKISS SUMMER PIANO PROGRAM

Hotchkiss Summer Portals is proud to announce its 11th Summer Piano Program - a wonderful opportunity for **intermediate to advanced level pianists, ages 11-18**, to work with inspiring teachers, enjoy a rigorous routine of lessons and masterclasses, attend exciting concerts, and perform in a world-class stage.

In a friendly atmosphere, Hotchkiss Piano Portals focuses on the individual needs of each student - everyone receives personalized schedules with guaranteed daily practice and private lessons. At the same time, daily masterclasses encourage group analysis of the repertoire performed, and allow for collaborative discussions of relevant themes, such as:

- *What is the best repertoire for an audition or competition?*
- *What is effective and healthy practice?*
- *What is the best way to control performance anxiety?*

Join pianists from around the world in Lakeville this summer to refine technique, explore new repertoire, & be inspired by outstanding faculty in a stunning New England boarding school setting.

APPLICATIONS NOW OPEN
