

Folsom Cordova Unified School District Work Based Learning Program

2026 Career Technical Education (CTE) Summer Preceptorship and Career Exploration Programs Student/Parent Agreement

The Folsom Cordova Unified School District is committed to preparing students for college and career success. As part of this goal, the district offers a Career Technical Education summer program for high school students, designed to provide hands-on learning experiences and build professional skills. The program aims to help students explore different career paths, discover their personal interests and strengths, and develop important skills such as communication, teamwork, and employability.

While participants do not receive payment or grades, daily attendance is required. Space is limited.

Time Periods - observance of the June 19th holiday is a district policy, no student will attend on that day.

Preceptorship Program: Check the box for the program length and dates you will be attending (ONLY ONE)

- Three-week Student Program: June 3rd - June 23rd
Four-week Student Program: June 3rd - June 30th

Students are required to attend two Program classes: one on June 3rd and one on June 4th.

Choose ONE class per day at either location:

- Vista del Lago - 9am - noon
Cordova HS - 1pm - 4pm

- Students will do a one day orientation/onboarding event at their job placement site - Friday June 5th
Internships run daily according to the company and placement in either an in person or online format
A program-end celebration will be held on Monday June 30th - 6pm @ Vista del Lago cafeteria
Students will work with business partners minimally from 15 to 20 hours per week. Times are flexible
Time flexibility is determined by the needs of the business and is mutually agreed upon by all parties.
All rules and expectations specified must be upheld, or the student may face dismissal from the program.
