

# KINDERGARTEN NEWS

# FEBRUARY

## FROM THE TEACHER

On February 18th, we will have our Friendship Celebration. Students will exchange valentines and make a craft. If you are purchasing candy to pass out to the class, **please do not bring in candy with peanuts or gelatin.**

We will have cut and color valentines as well, so there is no need to purchase anything.

## WE ARE LEARNING

**Literacy:** Our next unit is all about understanding the main messages of the stories we read. We are also blending CVC words and reading heart words.

**Social Studies/Science:** We are learning about Beebots and coding!

**Math:** We are learning how to:

- Count forward and backward between 0-50
- Order and compare numbers from 1-10
- Solve addition and subtraction problems within 10
- Explore 2D and 3D shapes
