SIAP Midyear Data Update PBIS Updates - Digital Citizenship	Data was reviewed for math, ELA, and PBIS. -MAP data showed increases in high average and high achievement scores, both year over year and from fall to winter in most grade levels. Advancing growth scores ranged by 51% to 73% of students in advancing growth, a positive trend. Both 3rd and 4th grade showed strong achievement and growth scores. -Kinder and 1st grade scores showed improvement from winter last year to winter this year, and some decreases from fall to winter of the current year as expectations increase in benchmarks. -2nd grade CBM scores showed slight improvement with aReading scores decreased fall to Winter, an area to focus on -3rd grade CBM scores increased 16% from a year ago, and slightly decreased fall to winter. -4th grade had a slight year to year

	increase low risk and advanced -Spanish Immersion accomplishments have included: -Trainings in Listos, Avanza, Language Acquisition Strategies; Established Avanza reading comprehension assessment 3 times per year; Established end of unit speaking assessments scored against AAPPL rubric; Established Pacing Calendar; Social Studies long term planning toward unit inquiry projects -PBIS -We saw an increase in minor office referrals and major office referrals during 2nd quarter -After staff analyzed 2nd quarter data, January “boosters” to focus on particular areas -We have seen a recent uptick in technology violations -Our PBIS team is working on lessons for appropriate technology use -The Self-Assessment survey was taken by staff. Tier 1 PBIS features are strongly in place and Tier 2 features have improved. -The PBIS Team is reviewing the survey
