

INSTRUCTION

CAREER AND TECHNICAL OCCUPATIONAL EDUCATION

I. Statement of Policy

The Board of Education (the Board) recognizes the need for career and technical education and reaffirms its Policy of strengthening the Oriskany Central School District's (the District) career and technical education program through utilization of any available federal and state funds for that purpose and of supporting the BOCES program.

II. Duty of the District

The District shall:

- A. Offer students the opportunity to complete a three (3) unit or five (5) unit sequence in career and technical education; three (3) unit sequence shall be designed so they can be extended to a five (5) unit sequence without loss of credit;
- B. Offer students the opportunity to begin the career and technical education sequence in ninth grade;
- C. Include in each sequence a minimum of one (1) unit of credit in introduction to occupations;
- D. Insure that sequences of five (5) units or more prepare students for both employment and postsecondary education and shall be satisfactory to the Commissioner; and
- E. Offer students the opportunity to meet the learning standards in technology.

III. Advisory Council

In accordance with Education law, the Advisory Council of the Oneida-Herkimer-Madison BOCES is designated as the local Advisory Council for occupational education in the District.
