THE HEAD OF SCHOOL AND BOARD CHAIR

Dear Savannah Country Day Community,

We are grateful to count you as part of our Hornet family. This past year has been one of extraordinary generosity, vision, and momentum for Savannah Country Day School. With your support, we completed Phase I of the Invest in Excellence Academic campaign, transforming our campus and enriching the curriculum for our students.

With Phase II of Invest in Excellence, our focus is on strengthening programs in the Arts and Athletics, building the Roberts Little School, and growing our endowment. We are especially grateful for the leadership of a generous alumnus whose $2.5 million challenge gift is inspiring the community to reimagine and enhance our athletic facilities.

The pages that follow in our 2024–2025 Report on Philanthropy celebrate the impact of your generosity from current families and alumni to grandparents, faculty, staff, and friends who have invested in the future of our school. Your commitment is advancing the mission of Savannah Country Day, creating opportunities, and ensuring that excellence endures for generations to come.

We deeply appreciate the trust you place in us and remain committed to keeping our students at the heart of every decision. Thank you for being our partners in this important work.

With gratitude,

Kef Wilson

Live Oak **SOCIETY**

Taking its name from the majestic live oaks that have populated our wooded campus since Country Day’s founding, the Live Oak Society recognizes individuals, corporations, and foundations that have made cumulative lifetime gifts of $100,000 or more to the School.

Members of the Live Oak Society are Country Day’s most visionary philanthropists. Their contributions to advance the mission of this institution will continue to impact students, faculty, and the Savannah community for generations to come.

THE HILLIARD FAMILY

WHY WAS IT IMPORTANT FOR YOUR FAMILY TO SUPPORT *INVEST IN EXCELLENCE* AND IMPACT THE FUTURE OF THE SCHOOL?

For us, supporting *Invest in Excellence* is about honoring the impact Country Day has had on our family across generations. The school prepared our children not just academically, but for life—teaching them independence, integrity, and time management, while also giving them opportunities in sports, music, and the arts. Now, as our grandchildren begin their journeys, we want them to have those same life-shaping experiences. Giving back ensures that the traditions and values that define Country Day remain strong while providing the modern resources students need to thrive.

WHAT IMPACT DO YOU HOPE YOUR CONTRIBUTIONS TO THE SCHOOL HAVE?

We hope our giving helps create spaces and opportunities that inspire students to learn, connect, and grow. Whether it's the Hilliard Hive as a place for gathering and creativity, or resources like technology, athletics, and the arts, we want our contributions to give students the confidence and support they need to succeed. At its heart, our giving is rooted in pride—for the school, for our own experiences, and for the opportunities we hope our children and grandchildren will have here.

YOU'VE SEEN THE SCHOOL EVOLVE OVER GENERATIONS—WHAT CHANGES HAVE STOOD OUT MOST TO YOU, AND WHAT EXCITES YOU ABOUT WHERE SCDS IS HEADED?

We've been proud to watch Country Day grow while staying true to what matters most. The facilities are more modern, the opportunities in middle and upper school have expanded, and programs like Mini-Mester and Coastal Ecology give students experiences we never imagined when we were here. Yet the traditions, values, and sense of community remain the same. We are excited for the future—whether it's new buildings like The Roberts Little School, the variety of programs available today, or the teachers who continue to make a lasting impact. Country Day still prepares students not just for college, but for life, and that's what makes us most proud.

MEREDITH (REPELLA) '92 & REED DULANY '87

WHAT INSPIRED YOUR FAMILY TO SUPPORT THE INVEST IN EXCELLENCE CAMPAIGN?

As alums of the Classes of 1987 and 1992, we felt a desire to participate in the evolution of the campus on which we both grew up. In 2013, our children, Mimi and Reed IV, began their academic careers at Savannah Country Day School. They were fortunate to spend their days listening and learning in buildings built after our graduations, Pressly Hall as lower schoolers and later in Pape Hall as middle schoolers. These buildings were constructed through the gifts of generous donors who wanted to support SCDS and ensure students were in the best facilities possible. As the fundraising began for the IIE Campaign, while our children were moving through the grades and approaching high school, we recognized that we attended classes in Upper School buildings on the list to receive improvements - Livingston and Minis Halls, Jelks and Johnson. It was exciting to know that our contribution would advance the progress of these spaces as well as the STEM building, now Mingledorff Hall. To know that Mimi and Reed would spend their high school careers within the walls of the buildings the IIE Campaign was affecting was motivation enough for us.

HOW HAS YOUR FAMILY'S LONG HISTORY WITH COUNTRY DAY SHAPED YOUR CONNECTION TO THE SCHOOL'S MISSION?

Many of our nieces and nephews, each of our combined six siblings, Jeff Bolch III (Meredith's step-father), and Susan Strobhar Dulany (Reed's mother), attended Savannah Country Day School. Arthur Douglass Strobhar, Susan's father, was the Chairman of the Founding Board of Savannah Country Day School and held the first shovel, breaking ground on the southside-Savannah campus where SCDS is now located. Because of his generosity and that of the others on that very first Board, we have the 70-year-old campus that we all appreciate and contribute to today. This place has been home to us and our family members for the better part of 70 years. Reed tells the story of finding himself in Study Hall all too frequently under the portrait of his grandfather, A.D. Strobhar. He remembers feeling his reproachful eye upon him, in addition to that of the proctor, which motivated him to refocus on academics and increase his GPA! We feel bound to SCDS and are grateful for the connection we have to this special place. It is another home to us, our extended family members, and our children.

WHAT KIND OF LEGACY DO YOU HOPE YOUR INVESTMENT WILL LEAVE FOR THE ENTIRE SCHOOL COMMUNITY?

We hope to instill in others the deep love and connection we have with Savannah Country Day School. We both spent over 12 years on this campus as students. We now have spent the past 12 years with our children attending classes, competing in sporting events, performing in fine arts productions and enjoying social gatherings. With only two years left having students at Country Day, we know, from experience, that the connection is not lost once graduation occurs. Not for the students and not for the parents. Savannah Country Day School offers a lifetime connection if one chooses to participate and engage. It is a family of families that care for each other and the spaces they inhabit. We hope everyone will look at the campus and ask, "What can I do?" to ensure it continues to provide top-notch facilities for our exceptional faculty and staff, enabling them to inspire and support our outstanding students each day as they grow into caring, contributing members of the community.

Meredith (Repella) '92 and Reed Dulany '87, Reed '27 and Mimi '26

Endowment FUNDS

The endowment at Savannah Country Day consists of funds, both unrestricted and restricted, that supplement and support the exceptional educational experiences offered to current students and faculty. Endowment relieves pressure on tuition and ensures the School's long-term strength and stability.

Endowments benefitting student financial aid make up the largest portion of the endowment-named funds. In addition, there are endowments that support academic programming, maintain our beautiful 65-acre campus and provide impactful professional development opportunities for our faculty. The minimum amount to establish a named endowment fund is $100,000.

This listing reflects those who made a gift to our endowment between July 1, 2024 and June 30, 2025.

WHY WAS IT IMPORTANT TO YOUR FAMILY TO ESTABLISH AN ENDOWED FUND AT COUNTRY DAY IN SUPPORT OF OUR FACULTY?

As children of retired educators, we observed the countless hours in and out of the classroom that our mothers spent developing a challenging and creative learning environment for their students. We wanted to establish this endowed fund in honor of teachers that inspire students and colleagues.

WHAT DOES "TEACHING EXCELLENCE" MEAN TO YOU, AND WHY DID YOU CHOOSE TO SUPPORT IT?

We have chosen to invest in teaching excellence at Country Day because passionate teachers inspire students. "Teaching Excellence" is a commitment to teachers that contribute their time both within and beyond the school walls to create a positive environment for education.

HOW DO YOU HOPE THIS ENDOWMENT WILL SHAPE THE EDUCATIONAL EXPERIENCE AT COUNTRY DAY FOR YEARS TO COME?

Our hope is that the endowment will foster teacher retention as well as professional growth and development.

"Growing our endowment allows us to attract, support, and retain outstanding teachers. Their passion and expertise shape the leaders of tomorrow and secure the future of our school."

— **LYNETTE ALLISON**
DIRECTOR OF INSTITUTIONAL ADVANCEMENT

Leadership Giving

THE GREEN & GOLD SOCIETY

Leadership donors, those who contribute $2,500 or more to any fund during the 2024-25 fiscal year, are members of the Green & Gold Society. These generous gifts have a huge impact on our campus. Green & Gold members are honored at the annual Green & Gold Reception with the Head of School and receive invitations to attend special events throughout the year.

AS A MEMBER OF THE GREEN & GOLD SOCIETY, WHAT INSPIRES YOU TO SUPPORT THE FUND EACH YEAR?

As donors, we recognize that The Fund plays a vital role in sustaining the strength and excellence of our school. We are confident that each contribution is thoughtfully directed to support Country Day's mission, ensuring the continued delivery of the outstanding education, arts, and athletics that define our community.

WHY IS BEING ACTIVELY INVOLVED AT COUNTRY DAYS THROUGH SUPPORT AND SERVICE, IMPORTANT TO YOUR FAMILY?

We believe that the engagement of families—through both support and service—is what makes the fabric of our school community so strong. It allows us to be meaningfully woven into that fabric, contributing to our shared mission of guiding our children toward their fullest growth and development. It also sets a powerful example for them, reinforcing that service and support are essential values.

WHAT IS YOUR FAVORITE ASPECT OF BEING A HORNET?

We love knowing that our children are surrounded by an educational environment that not only pushes them to excel academically but also encourages their growth in athletics and the arts. Our greatest hope is that they grow into well-rounded, joyful individuals who lead balanced and meaningful lives. Being able to nurture their development across these three vital areas — all within a supportive and inspiring setting — is a true blessing.

LEIGH (SMALL) BEAUCHAMP '88

Leigh (Small) Beauchamp '88, faculty member and parent of Scott '12 and Tyler '15

YOUR TIES TO COUNTRY DAY RUN DEEP AS AN 1988 ALUMNA, AN SCDS EDUCATOR FOR 33 YEARS AND A PARENT OF TWO ALUMNI. WHAT DO YOU LOVE ABOUT COUNTRY DAY THAT HAS KEPT THIS STRONG CONNECTION FOR SO MANY YEARS?

One of the things I cherish most about being part of the SCDS community is how often I run into SCDS families, whether they're current parents of students I'm teaching, alumni families, or even my own classmates from my days as a student here in Savannah. There's something truly special about this place that draws people back. Students who attend SCDS don't just graduate and move on; they return, they reconnect, and they remember.

The relationships built between students and teachers here are genuine, lasting, and deeply valued. For me personally, there is no greater joy than hearing a knock on my classroom door and seeing a former student walk in, eager to share where life has taken them. It's in those moments that the true impact of this community is felt—and it reminds me why I love what I do.

HOW DOES PHILANTHROPY ENHANCE TEACHING AND LEARNING AT SCDS?

As a teacher, I see firsthand how philanthropy makes a meaningful difference by helping me meet students where they are, continue growing in my profession, and bring learning to life in new and engaging ways. One of the things I deeply appreciate about SCDS is the unwavering support for innovative teaching. If I have a creative idea that could enhance student learning, even if it comes with a cost, SCDS will do everything it can to help make it happen.

When donors choose to invest in our classrooms, it's more than just financial support; it's a powerful message that our work matters. In a profession that can sometimes feel overlooked, that kind of backing is incredibly validating and inspiring. It reminds me why I teach and affirms the impact we strive to make every day.

WHY IS FACULTY/STAFF PARTICIPATION IN THE FUND FOR COUNTRY DAY SO IMPORTANT? WHAT DOES IT SIGNIFY?

Faculty and staff participation in The Fund is incredibly meaningful. It's a collective statement that we believe in the mission of SCDS and the work we do every day. No one expects a large gift from teachers or staff; what matters most is simply that we choose to give. That act of giving, no matter the amount, reflects our confidence in the school and helps inspire others to give as well. After all, if we who know SCDS best —those who live its mission daily —aren't invested, why would we expect outside donors to be? We all have a role to play in helping SCDS continue to grow as the exceptional educational institution we know it to be.

Dear Country Day Community,

We are grateful for your support of the Fund for Country Day over the past year. Together, we raised $750,193 to benefit our students, faculty, and programs and set a new record for donors joining the Green & Gold Leadership Giving Society. Special thanks to our **78 dedicated parent and alumni volunteers** who worked tirelessly throughout the year.

Your generosity strengthened academics, enriched the arts, elevated athletics, and provided important resources for our exceptional faculty. It has been an honor to serve in this role, and we are proud to celebrate these accomplishments with you.

Thank you for your generosity and unwavering support of Country Day!

Message from THE BOARD OF ALUMNI PRESIDENT

Dear Alumni,

It has been a true honor to serve as your Board of Alumni President over the past two years. I continue to be inspired by the energy, generosity, and deep-rooted pride that define our alumni community.

This year, we introduced a new approach to our annual campaign with an Alumni Giving Day, and Hornets everywhere stepped up. The response was strong, and the participation impressive, 281 gifts totaling $82,643 in just 24 hours, especially from the Class of 1968, who once again proved they're a force, leading the day with the highest percentage of classmates giving. The Class of 1985 and 2005 gave them a run for their money, tying for second place with strong class participation. Our final alumni participation rate reached 15%, a powerful reflection of alumni engagement, well above the 7.5% national average.

This year also marked the launch of the Hornet NetWORK, a new initiative designed to connect alumni across generations and industries. The response has been overwhelmingly positive, with Hornets demonstrating incredible support of their fellow Hornets in meaningful and impactful ways. I encourage you to join the Alumni NetWORK LinkedIn group to expand your network, and to support fellow Hornets in their professional journeys.

Thank you to all the alumni who joined us at our recent happy hours and gatherings! These events reminded us just how strong the Hornet bond remains—no matter the distance. Your presence, energy, and connection to Country Day continue to strengthen our vibrant alumni community, and we're so grateful to you for keeping the spirit alive.

As I conclude my second and final year as President, I would like to express my heartfelt gratitude for the opportunity to serve. It has been a joy to work alongside such a dedicated and passionate group of alumni. I'm excited to pass the torch to Seth Goodman '90, who brings tremendous energy and insight to the role.

On behalf of the Board of Alumni, thank you for your continued support of Country Day—and of each other.

With gratitude,

SUPPORTER SPOTLIGHT

HENRY BERG '24

WHAT MOTIVATED YOU TO MAKE YOUR FIRST GIFT TO COUNTRY DAY?

Country Day gave me so much, including a great education that prepared me for college as well as lifelong friends. During my time in the Upper School, I was fortunate to experience the newly constructed Mingledorff Hall and renovated Livingston and Minis Halls. As a student, I saw firsthand how alumni gifts improve the quality of the educational experience for students. Following graduation, I feel compelled to follow their lead.

LOOKING BACK, WHAT PART OF YOUR COUNTRY DAY EXPERIENCE DO YOU VALUE MOST?

Looking back at my time at Country Day, I value the relationships I built the most. Obviously, many of these relationships came from members of my class but also the faculty. Country Day does an incredible job of making teachers accessible to students where if you need anything, you know they are there to help. This allowed me to have relationships with some to the point where I would consider them now to be not only mentors but also friends.

HOW DO YOU HOPE TO STAY CONNECTED AND GIVE BACK AS AN ALUM?

I'm fortunate that I keep in touch with a number of my teachers and coaches from Country Day. I enjoy hearing about what has been going on in the year since I graduated. I also keep in touch with many students from my graduating class and am blessed to have stayed such good friends with them. I hope to continue to stay connected through alumni events such as the Oyster Roast in the fall and give back over the years by supporting the school in a number of ways.

IS THERE A TEACHER, COACH, OR MENTOR WHO MADE A LASTING IMPACT ON YOU?

Coach Kirkley had a big influence on me during my time at SCDS. I never had him for Lower School physical education, but remember how much my friends enjoyed him as their teacher. I got to know Coach Kirkely during my four years of high school tennis. He was the most supportive coach I had in any sport. Many coaches I had chose to teach the mechanics of the sport, but did not foster a competitive spirit or what you might call "grit". Coach Kirkley taught me to be a better competitor and that is what made him a great coach. We continue to stay in touch, and his coaching will leave a lasting impact on all his students.

IS YOUR NAME MISSING?

The Report on Philanthropy contains names of individuals who have made gifts to The Savannah Country Day School that were processed through the Office of Advancement between July 1, 2024 and June 30, 2025. There could be several reasons that your name does not appear in what you believe to be the appropriate giving level—or does not appear at all:

You made your gift either before July 1, 2024, or after June 30, 2025.

You gave more during this period than you realize; your name may be in the next giving level.

You made a pledge instead of an outright gift. If you made a pledge between July 1, 2024 and June 30, 2025, but chose to begin fulfilling it after June 30, 2025, your name will not appear in this honor roll, which reflects only gifts received.

If we omitted your name in error or if you have questions or concerns, please contact Ann Lerch, Director of Annual Giving, at 912-961-8822 or alerch@savcds.org.
