

National Coalition of 100 Black Women, Inc. – Central New Jersey Chapter 2026 Scholarship Announcement

The National Coalition of 100 Black Women, Inc. (NCBW), Central New Jersey Chapter is pleased to announce the launch of its **2026 Scholarship Program**. This year's scholarship theme, **“Educated, Empowered, Equipped for Impact,”** reflects the organization's continued commitment to supporting black and brown women and girls who demonstrate academic achievement, leadership, and a dedication to service.

Scholarship applications will be **distributed on January 26, 2026**. There are two scholarship opportunities available:

1. The **STEAM Scholarships**, awarding **\$2,000** to qualifying students pursuing studies in science, technology, engineering, arts, or mathematics,

&

2. The **Dr. Tamika A. Pollins Scholarship**, awarding **\$2,500** to a student whose academic and personal achievements reflect leadership, perseverance, and positive community impact.

Completed applications must be submitted **no later than March 27, 2026**. Students are encouraged to review **all** eligibility requirements and submission guidelines carefully once applications are released.

For additional information or questions regarding the application process, please contact the **NCBW Central New Jersey Chapter Education Committee** at ncbweducation@gmail.com.

Schools are encouraged to share this opportunity with eligible students and families.
