

KIWANIS CLUB OF O'FALLON SCHOLARSHIP APPLICATION

The Kiwanis Club of O'Fallon is offering two individual five-hundred-dollar scholarships (\$500) scholarships: the Wayne McKinley Scholarship for vocational/technical pursuits, and the Clyde "Tex" Glenn Scholarship for business- and business-related fields.

Wayne McKinley was a Charter Member of the O'Fallon Kiwanis Club. For many years he owned and operated O'Fallon Motor Company (Chevrolet dealership) on South Lincoln. He was a Kiwanian for 70 years.

Clyde Glenn was a member of the Kiwanis Club for 65 years. He was the owner of Schwarz Furniture in O'Fallon. Before working at Schwarz Furniture, he was a radio operator and gunner on a B-24 during World War II.

Both men were active Kiwanians who worked tirelessly over the years to help the children of O'Fallon and towards the betterment of the community.

This scholarship is available to any graduating senior at O'Fallon Township High School. The applicant must be pursuing a degree or certificate from a vocational/technical school or an accredited college. The scholarship will not necessarily be awarded to the student with the highest GPA's or standardized test scores, but to those students who exemplify an overall representation of the application criteria.

Each recipient must have a desire to better themselves through higher education and have concrete aims and academic goals.

Since Kiwanis is a service organization, extracurricular activities will be looked at as well. These include school, religious, social and civic activities.

The Scholarship Committee will also consider financial need, obligations of students and resources. Failure to fill out any portion of the application will have a direct effect on the selection.

Students who meet these criteria are invited to fill out the application and return it to Scholarship Committee, O'Fallon Kiwanis Club, 1102 Sycamore Pl, O'Fallon, Illinois 62269, or they may be sent electronically to aeb624@aol.com. The deadline for completed applications is on or before **Friday, April 17, 2026**.

Applicants should refer any questions to April Barnes at aeb624@aol.com.

High school seniors accepted into an accredited higher education school should apply. Those selected will receive the funds once proof of acceptance is received by the scholarship committee.
