Dear Educators:

The New Jersey State League of Municipalities and I have an excellent scholarship opportunity for the high school juniors and seniors from Audubon.

We have teamed up to offer three \$1,000 scholarships through the Louis Bay 2<sup>nd</sup> Future Municipal Leaders Scholarship Competition. This statewide competition centers on the theme "What I Like About My Hometown" and seeks to advance the virtues of elected and volunteer members of the municipal government.

Beyond our three elected Commissioners, there are many appointed people who serve Audubon for little or no compensation. It is their altruistic desire to serve their community which compels them to public service. These officials, along with a cadre of dedicated professionals, are guardians of our hometown comforts and security. They give of their time and talents to help plan our community and preserve our way of life.

They serve us year-round, every day and yet are hardly noticed. This scholarship competition looks to recognize the many people serving our town while encouraging future municipals leaders.

Full details on the application process and contest are enclosed. I hope to see many of our High School Seniors and Juniors representing Audubon in the Louis Bay 2<sup>nd</sup> Future Municipal Leaders Scholarship Competition.

Sincerely,

Robert Jakubowski  
Mayor
