

2026-27 Tuition and Fees

Grades K-12: \$37,400*

*In addition to tuition, new families are charged a one-time fee of \$1,500 towards facilities improvements.

Tuition

Tuition includes student accident insurance, books, technology and science lab fees, parent association dues, yearbook, and field trips.

Tuition Payment Schedules

A non-refundable deposit of \$1,000 will be processed with your online enrollment; this will be applied towards your child's tuition. Three payment options are available through FACTS for the resulting tuition balance.

Option 1: Pay the tuition and fees in full by July 6 and receive a \$250 discount. Please note that FACTS will charge a one-time \$20 enrollment fee.

Option 2: Pay the tuition and fees in two installments, due July 6 and December 7. As above, FACTS will charge a one-time \$20 enrollment fee.

	Deposit	July 6	December 7
Grades K-12	\$1,000	\$18,200	\$18,200

Option 3: Ten-month Tuition Plan from June 8 through March 8. A \$50 enrollment fee will be charged by FACTS; this is a one-time fee, not a monthly fee.

The additional \$1,500 one-time fee for new families is due with the July payment for options 1 and 2. With option 3, it will be split evenly over the first three of the ten payments.

Tuition paid in two or more installments does not constitute a fractional contract. No reduction or remission of tuition will be allowed by Trident Academy for absence, withdrawal, or dismissal.
