Child Find

DO YOU HAVE CONCERNS ABOUT YOUR CHILD'S DEVELOPMENT?

Auburn School District offers free screening for all children from birth to 21 who are residents of the Auburn School District, or who are living in a temporary situation in Auburn, and who have a suspected disability. The purpose of the screening is to identify children who may have a disability that may qualify them for special services. The screening looks at development in speech/language, vision, hearing, motor skills, cognitive abiliites, and social/emotional.

DEVELOPMENTAL INDICATORS:

Motor Skills

Throwing, balance, hop, skip, block building, touching fingers, cutting, copying, and writing name.

Language Skills

Articulation, giving personal data, objects and actions, letters and sounds, rhyming and I Spy, and problem solving.

Behavioral Observations

Ability to separate from adult, crying/whining, verbal response to questions, persistence, attention, activity level, participation, impulsivity, understanding of directions.

Self-Help Development

Eating and drinking skills, buttoning, put away toys, pick up after self, washes and dries hands, brushes teeth, combs hair, dresses self, uses toilet and follows safety rules.

Concept Skills

Naming colors, identifying body parts, rapid object naming, rote counting, meaningful counting, identifying concepts, identifying and sorting shapes.

Social-Emotional Development

Plays well with other children, solves problems, goes to bed easily, shows pride in doing some thing well, seems afraid of many things, makes transitions easily, is restless and can't sit still, hurt others, and asks before using other people's things.
