If your child is planning to participate in Intramural Volleyball, they need to have already submitted their completed ***PreParticipation Physical Evaluation Medical Eligibility Form*** to the school by the August 16th deadline. No late PreParticipation Physical forms can be accepted at this time. If your child has this form on file already, interested families can continue with the sign-up process.

For eligible students to sign up, forms will be open on Genesis from Wednesday, February 4 through Friday, February 20, 2026. Our registration will be capped at 60 COMPLETED registration packets, so please be sure to register early if interested:

- *Health History Update Basketball Questionnaire*
- *Intramural Basketball Participation Consent*

Intramural Volleyball will begin on Wednesday, April 8. Intramural Volleyball will be held on Mondays and Wednesdays from 3:15PM to 4:15PM. Intramural Volleyball Dates: April 8, 13, 15, 20, 22, 27, 29 and May 4, 6 and 11. All dates are in the PB Activities Calendar.

Intramural sports are designed to be a fun and exciting time for the students to play volleyball with some of their classmates and are geared more as a recreational program. The only equipment that the students will need to participate is proper attire, including sneakers, and water. Students will not be changing after school; therefore, they need to dress properly on the days they will be participating in intramurals.

**\*\*Sign-ups close on February 20 or when 60 completed registrations have been filed. No late sign-ups can be accepted.**
