

WATT WATCHER AUDIT LOG SHEET

EXAMPLE:

LOCATION - OUR CLASSROOM

Date	Energy Activity	Time Log	Temperature	Observations
Feb. 1	Baseline (No activity)	9 a.m.	65	Sunshine warmed the building in the afternoon
		2 p.m.	70	

YOUR FINDINGS:

LOCATION: _____

Date	Energy Activity	Time Log	Temperature	Observations

Date	Energy Activity	Time Log	Temperature	Observations

Date	Energy Activity	Time Log	Temperature	Observations

Date	Energy Activity	Time Log	Temperature	Observations

WATT WATCHER AUDIT LOG SHEET

Date	Energy Activity	Time Log	Temperature	Observations

Date	Energy Activity	Time Log	Temperature	Observations

Date	Energy Activity	Time Log	Temperature	Observations

Date	Energy Activity	Time Log	Temperature	Observations

Date	Energy Activity	Time Log	Temperature	Observations

INVESTIGATION:

- Which actions made the biggest difference in the room temperature?
- How did the temperature changes affect how comfortable the room felt?
- What small steps could we take every day to save energy in our school?
