## EARLY LITERACY JUMPSTART

### *LOVE from Me to You*

Share a special moment with your child as you read *Love from Me to You*. This sweet story is perfect for little ones with detailed die-cuts and layered pages. Children will love turning and exploring the pages as you read them the heart-warming story.

Children will love the parent-child themed characters of animals. Point these out to teach the names: butterfly, ladybug, elephant, mouse, bee, bird, rabbit, cat, and bear, pointing out Mom, Dad and baby.

Finally, when your child is ready for rhyme, pick out similar sounding syllables such as "do" and "you", "out" and "about", "worthwhile" and "smile", "kind" and "find", and more.

Benefits of SEL, social emotional books:

- Helps regulate emotions and stress
- Promotes resilience
- Improves mental health
