Library

6 Read-a-Thon

7 Craft Fair

12 No school-Teacher Planning Day

13 No school-Teacher Work Day

16-20 Spring Break

Loma Families,

We'd like to invite you to join our Friday kindness activity at Loma on Friday, February 13 during our school-wide Daily Mile from 9:15-9:30. We're asking families to make kindness sign and hold them up to promote and show support for kindness in our school community while students walk around the track. Have some fun with your kids at home making a sign, but don't worry your sign doesn't need to be extravagant. You just showing up to support our students with kindness is the most important part! Parents can arrive at 9:10 with their sign and meet by the playground fence to get set up around the track before the students come out. Thank you for supporting our school, we hope you can make it.

## Social and Emotional Learning 3rd Quarter Focus: Kindness

Social and emotional learning (SEL) helps young people and adults succeed in social, academic, personal, and professional life through development of interpersonal skills. SEL is the process through which people acquire and apply knowledge, skills, and attitudes to develop healthy identities, manage emotions, and achieve personal and collective goals. They learn how to feel and show empathy for others, establish and maintain supportive relationships, and make responsible and caring decisions.

Loma students can earn tickets for demonstrating the Loma Way by showing respect, responsibility, kindness, and a growth mindset.

Each earned ticket is placed in a jar, one jar for primary grades and one for intermediate. Four tickets are drawn each Friday for prizes. Two tickets are drawn at the end of each quarter with the winners receiving a gift basket donated by generous community members.

Thank you to this quarter's donors!
