

# BOND UPDATES

We're excited to keep our community informed as bond projects move forward. Some updates may seem small, others more noticeable, but each one is an important step in providing the best opportunities for our students.

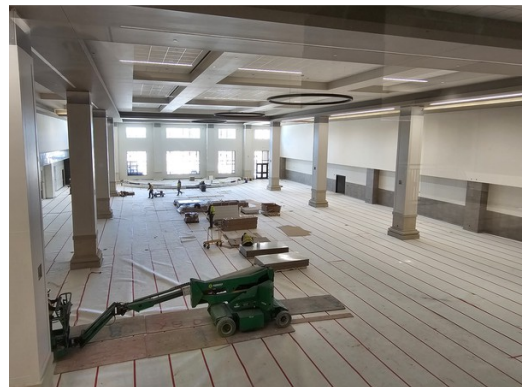

**Thank you for your continued support in making these improvements possible!**

## Tomball West High School

### Bond 2021

#### Facility - Ongoing Construction

- Construction of Tomball West High School is progressing as planned and remains on track for opening in August 2026.
- Flooring is currently being installed throughout the building including the gymnasiums.

## Agricultural Project Barn & Competitive Soccer Field

- Gamma Construction has continued the site work for the two facilities and has begun installation of the underground utilities. Grading for the berm that separates the two facilities is also in progress as part of the site work.

---

# West Complex Site Development

## Bond 2021

### Channel Extension

- In November 2025, the Tomball ISD Board of Trustees approved Deanco, Inc as the general contractor for completion of the Harris County Flood Control channel extension. The extension will serve the West Complex, providing drainage and additional detention for the property. Work is scheduled to begin in December and estimated to be completed prior to the opening of Tomball West High School in August 2026.

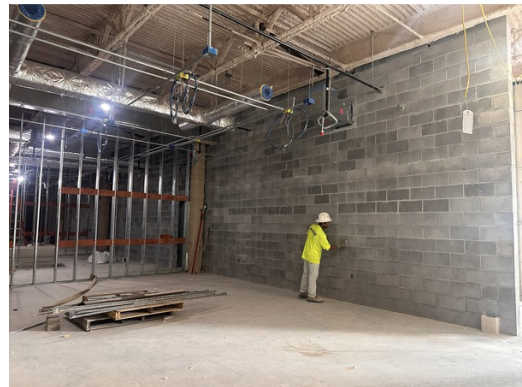

---

## Creekside Park Junior High 5th Grade Addition

### Bond 2021

- Construction on the 5th grade addition is ongoing at this time with all walls up, waterproofed and the roofing at 90% complete. Interior masonry and window installation is in progress and moving forward as planned. All necessary detention ponds for the expansion have been dug, with finish grading to be completed in December.

---

## Facility Infrastructure Replacements

### Bond 2025

- In November 2025, the Tomball ISD Board of Trustees approved the purchase of fire panel replacements in order to upgrade existing fire alarm control systems for 8 facilities district-wide. This project will address the following facilities:
  - Timber Creek Elementary
  - Canyon Pointe Elementary
  - Creekside Forest Elementary
  - Tomball Elementary
  - Willow Creek Elementary
  - Ancillary Building
  - Tomball High School Field House
  - Tomball High School Aquatic Center

- In November 2025, Tomball ISD initiated the purchase and scheduling of smoke detector replacements at Tomball Intermediate, Creekside Park Junior High, and Wildwood Elementary. This project will replace devices that have reached end of life and will address additional campuses in future phases.
- In November 2025, Tomball ISD initiated the purchase and scheduling of PA intercom system upgrades at campuses where the PA systems have reached end of life and can no longer be updated. This project will address the following campuses:
  - Tomball Elementary
  - Northpointe Intermediate
  - Tomball High School
  - Willow Creek Elementary

---

## TIC Building #4 Maintenance and Warehouse

### Bond 2021

- Renovations to the existing office space at Tomball Innovation Center Warehouse facility is ongoing at this time. Completion of this project will consolidate our maintenance and warehouse operations within one facility.

---

## New Tomball Intermediate School

### Bond 2025

- Tomball ISD held multiple meetings with Huckabee Architects during November with a focus on the design and layout of the new Tomball Intermediate Campus. Additional meetings will be held throughout December and January as we work to finalize the design phase of this project.

---

## Multi-Program Activity Centers (MPACs)

### Bond 2025

- Tomball ISD continues to hold planning meetings with PBK Architects as we work through the design process for the Multi-Program Activity Centers.
