

BOND UPDATES

We're excited to keep our community informed as bond projects move forward. Some updates may seem small, others more noticeable, but each one is an important step in providing the best opportunities for our students.

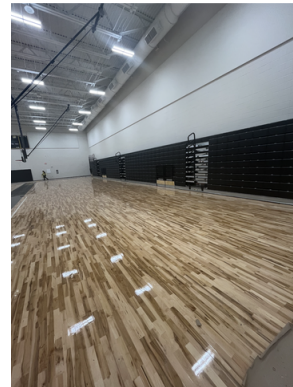

Thank you for your continued support in making these improvements possible!

Tomball West High School

Bond 2021

Facility - Ongoing Construction

- Construction of Tomball West High School continues to progress as planned.
- The Board of Trustees approved the purchase of all culinary arts equipment so that Tomball West High School will open with a fully equipped kitchen for students.

Agricultural Project Barn & Competitive Soccer Field

- Gamma Construction continues to progress as planned with the building pad completed and underground utilities at 80% complete.
- The privacy berm separating the Ag Barn and Soccer Field has been rough graded at this time.

Forced Main Sewer Connection

- Tomball ISD is in the planning stages to connect the West Complex sanitary sewer system to the District's wastewater treatment plant.

West Complex Site Development

Bond 2021

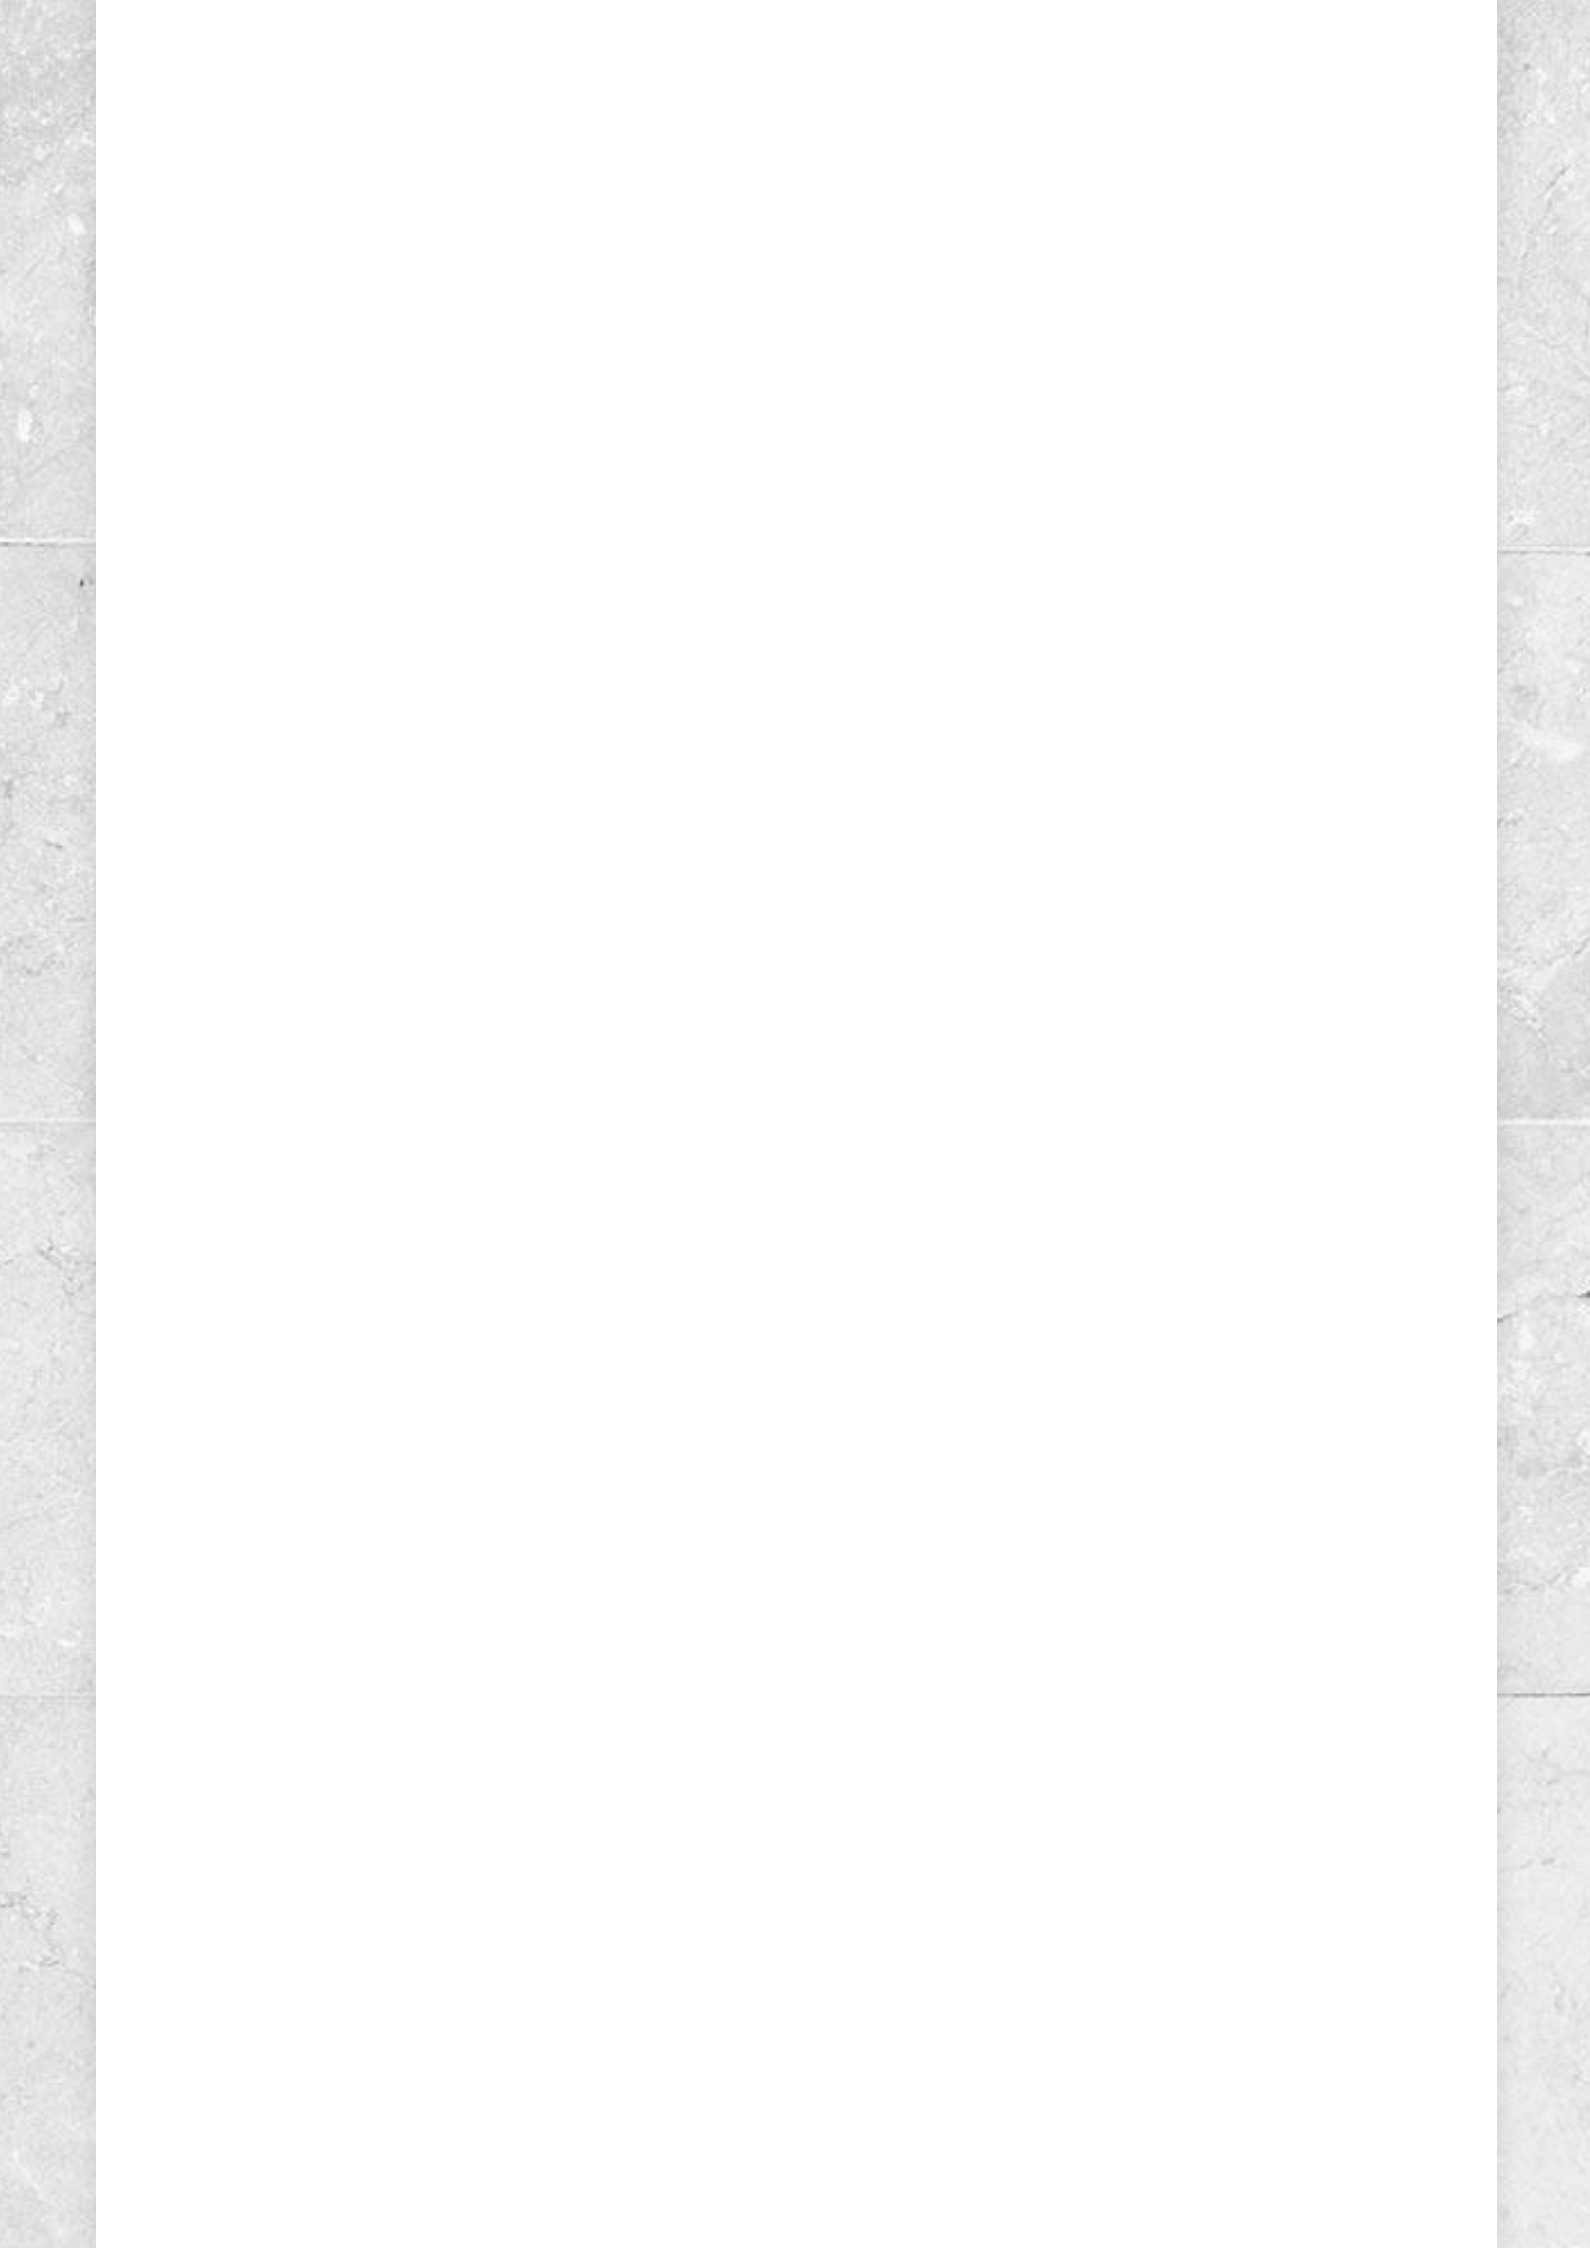

Channel Extension

- The extension will serve the West Complex, providing drainage and additional detention for the property.
- Work began in December 2025 and is progressing with the construction of a headwall to provide structural support to direct water flow from the West Complex to the new channel for Harris County Flood Control.

Creekside Park Junior High 5th Grade Addition

Bond 2021

- Construction on the 5th grade addition continues to progress as planned, with interior masonry work at 98% complete and exterior stone work progressing without issue.
- Hydro mulch of the detention pond has been completed and temporary fencing is expected to be removed and replaced with permanent fencing in the next few weeks.

TIC Building #4 Maintenance and Warehouse Bond 2021

- Renovations to the existing office space at Tomball Innovation Center Warehouse facility is in its final stages and awaiting inspection and approval by the City of Tomball.

Transportation Center

Bond 2025

- The design phase of the parking lot expansion is underway with survey and geotechnical studies being conducted in January 2026.

New Tomball Intermediate School

Bond 2025

- Huckabee Architect's schematic design phase has reached 98% completion and will present initial renderings at the February Board meeting.

Athletic Updates

Bond 2025

- During the January 2026 Board meeting, the Board of Trustees approved the purchase and replacement of bleachers for the competition and auxiliary gyms at Tomball High School.
 - The new bleachers are a step toward bringing Tomball High into alignment with the facilities at Tomball Memorial and Tomball West High School.
