

We're excited to keep our community informed as bond projects move forward. Some updates may seem small, others more noticeable, but each one is an important step in providing the best opportunities for our students.

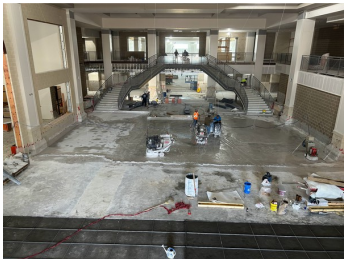

Thank you for your continued support in making these improvements possible!

Tomball West High School

Bond 2021

Facility - Ongoing Construction

- Construction on Tomball West High School is ongoing at this time with the building being fully dried in allowing for interior work to be completed.
- All athletic fields are approaching substantial completion, with artificial turf being installed in spring 2026.
- Coordination for the procurement of final graphics packages, furniture, supplies and equipment will be ongoing this fall and spring 2026.

Agricultural Project Barn & Competitive Soccer Field

- Gamma Construction was approved by the Tomball ISD Board of Trustees at the September 2025 Board Meeting to serve as the contractor for these Tomball West High School facilities.
- Construction will begin in October 2025.

West Complex Site Development

Bond 2021

Traffic Light at Mueschke Road

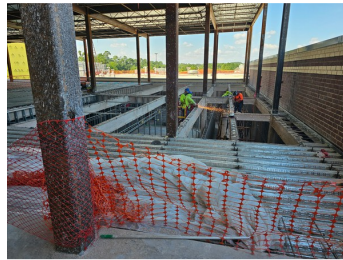

- The main entrance to Tomball West High School will be located off of Mueschke Road. At this time construction is in progress to add a turning lane and traffic light for the use of Tomball West High School.

Creekside Park Junior High 5th Grade Addition

Bond 2021

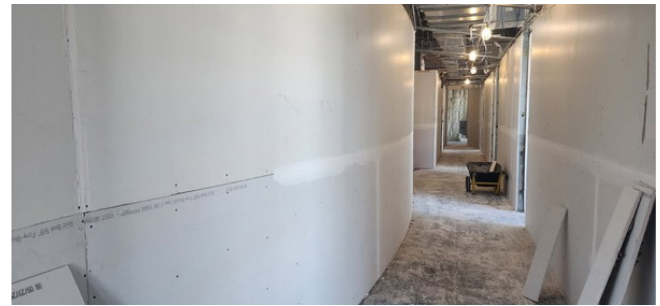

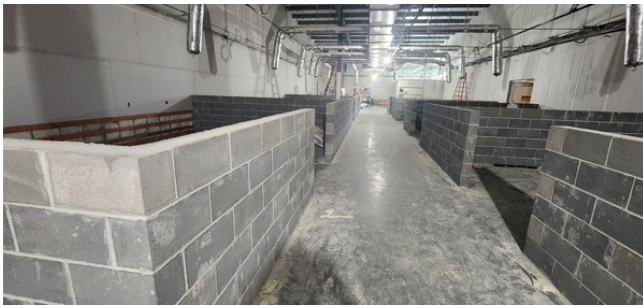

- Construction on the 5th grade addition is ongoing at this time with approximately 95% of the structural steel erected.
- While work continues on the additional instructional spaces, the contractor will also utilize breaks for school holidays to begin work on the cafeteria expansion. This bulk of this work is expected to start during the Christmas break, and continue during the spring semester.

Tomball Innovation Center Building #4 Maintenance and Warehouse

Bond 2021

- Renovations to the existing office space at Tomball Innovation Center Warehouse facility is ongoing at this time.
- Completion of this project will consolidate our maintenance and warehouse operations within one facility.

Facility Infrastructure Replacements

Bond 2025

- In June 2025 the Tomball ISD Board of Trustees approved the purchase of three temporary instructional buildings already in service at Rosehill Elementary School. Taking ownership of the temporary buildings will reduce rental costs and ensure that TISD has sufficient instructional space for projected growth.
- In August 2025, the Tomball ISD Board of Trustees approved Hunton Services to perform replacements and rebuilds for HVAC equipment at TJHS & the THS Field House. At this time work is being scheduled and coordinated to minimize impacts to daily operations.
- In August 2025, the Tomball ISD Board of Trustees approved Automated Logic to update the HVAC building automation system at the THS Field House. Updates to the automation system will be completed alongside the replacement and rebuild of equipment.
- In August 2025, the Tomball ISD Board of Trustees approved the purchase of high volume low speed fan replacements at the TMHS agricultural barn, THS agricultural barn and TIC warehouse. At this time the equipment order has been placed.

Buses & White Fleet Vehicles

Bond 2025

In August 2025, the Tomball ISD Board of Trustees approved the purchase of the 52 new school buses and white fleet vehicles detailed below:

- 7 buses for replacement
- 17 buses for growth
- 17 white fleet vehicles for the Maintenance Department
- 11 white fleet vehicles for the Custodial Department

White fleet vehicles are already being delivered and outfitted with District equipment. All buses have been ordered with expected delivery by January-February 2026.

Future Land Purchase Bond 2025

- The Tomball ISD Board of Trustees approved the purchase of 110 acres of land at the September 2025 Board meeting.
- The purchase of this property will serve as a site for future instructional facilities to accommodate the continued enrollment growth in Tomball ISD.
- Closing on the property officially occurred on September 20, 2025.

New Tomball Intermediate School Bond 2025

- Huckabee Architects was selected by the Board of Trustees in June 2025 to serve as architects for the new Tomball Intermediate campus.
- Tomball ISD is currently working with Huckabee to complete the design phase of the project, with District leadership participating in frequent programming and planning meetings over the last three months.
