

# BOND UPDATES

We're excited to keep our community informed as bond projects move forward. Some updates may seem small, others more noticeable, but each one is an important step in providing the best opportunities for our students.

**Thank you for your continued support in making these improvements possible!**

## Tomball West High School

### Bond 2021

#### Facility - Ongoing Construction

- Construction of Tomball West High School remains ongoing, with the athletic fields reaching substantial completion in October. Final work to install wear surfaces such as turf and netting will be completed in Spring 2026.
- In October 2025, the Tomball ISD Board of Trustees approved the purchase of technology network infrastructure equipment for Tomball West High School.

Gym flooring

library

## Agricultural Project Barn & Competitive Soccer Field

- Gamma Construction began site work for both facilities in October 2025 with site grading and underground utility infrastructure.

---

# West Complex Site Development

## Bond 2021

### Traffic Light at Mueschke Road

- The concrete paving and curbs for the intersection at Mueschke Road and Destination Drive have been completed and are awaiting approval by Harris County.
- While Destination Drive will serve as the main entrance to Tomball West High School, the entrances will be used for construction traffic only until the campus is opened in August 2026. Access for thru-traffic to West Elementary and West Intermediate will not be available.

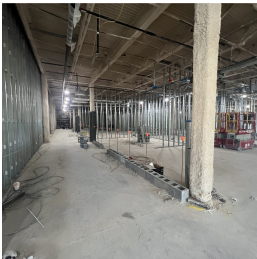

---

## Creekside Park Junior High 5th Grade Addition

### Bond 2021

- Construction on the 5th grade addition is ongoing at this time with all structural steel in place.
- During the Fall Break in October, additional concrete work was completed to facilitate the next stages of expansion for the CPJH cafeteria, which will begin in December 2025.

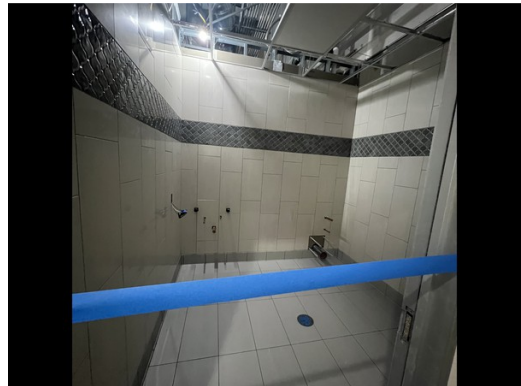

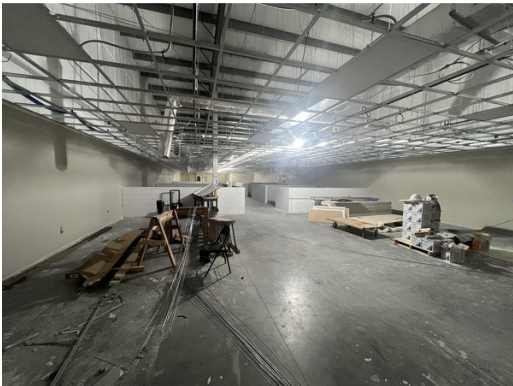

---

## Tomball Innovation Center Building #4 Maintenance and Warehouse

### Bond 2021

- Renovations to the existing office space at Tomball Innovation Center Warehouse facility is ongoing at this time.
- Completion of this project will consolidate our maintenance and warehouse operations within one facility.

---

## Transportation Center

### Bond 2025

- Phase 1 of the Transportation Center expansion project will focus on additional parking space for both buses and Transportation staff.
  - A kickoff meeting was held on October 15, 2025 to begin the initial design phase of the project.
-

# Facility Infrastructure Replacements

## Bond 2025

- HVAC equipment rebuild/replacement at THS Field House
  - Concrete work for the new chiller and demo of two outside air units has been started.
  - Hunton services is completing deck work needed to facilitate their work in the mechanical rooms.
- HVAC building automation system at the THS Field House
  - Engineering of the new automation system has been completed by Automated Logic.
- Rebuild of Chillers at THS
  - Hunton Services is scheduled to begin the rebuild of existing chillers at Tomball High School in November.

- HVAC equipment rebuild/replacement at TJHS
  - Hunton Services is working nightly to complete this project and are roughly 50% complete.
- High Volume Low Speed fan replacements
  - Replacement of the fans at THS, TMHS, and Tomball Innovation Center Warehouse has been completed at this time.

---

## New Tomball Intermediate School Bond 2025

- Huckabee Architects has completed the programming portion of the design phase and held the first schematic design meeting on October 31, 2025.
- Geotechnical work is expected to begin in November, following final building placement on the site.

---

Student & Staff Device Refresh

## Bond2025

- In October 2025, the Tomball ISD Board of Trustees approved the purchase of student and staff technology devices.
    - This initial purchase of student devices will refresh/replace computers in use at the THS and TMHS computer labs.
    - Phase 1 of the staff laptop replacements will replace laptops for all professional staff at Decker Prairie Elementary, Tomball Elementary, Tomball Junior High, and Tomball Star Academy.
- 

## Multi-Program Activity Centers (MPACs)

### Bond 2025

- In October 2025, the Tomball ISD Board of Trustees approved the selection of PBK Architects to provide architectural services on the Multi-Program Activity Centers that will be built at each high school campus.
- The official kickoff meeting to begin the design phase will be held on November 12, 2025.
