☐ ***Senior Open Period:*** ***I approve my senior to request up to two open periods for the full school year. I understand that open periods may allow late arrival or early dismissal and are unsupervised (not study halls). *****

☐ ***I confirm that we have reviewed the Course Guide together. I understand that grades may impact the final schedule, fall schedule changes are very limited, and course offerings and staffing are based on student forecasting.***

Student Signature (Required):	Parent/Guardian Signature (Required):

For Official Use Only: (check all that apply)

☐ **Student courses reviewed and locked in Synergy**

☐ **Student is involved in special programs, and case manager/teacher has been consulted**

From the standpoint of academic rigor and preparation for life beyond high school, we encourage students to maintain a full schedule while recognizing that there are valid reasons some 12th-grade students may need a shortened schedule.
