

Accreditation Engagement Review Overview

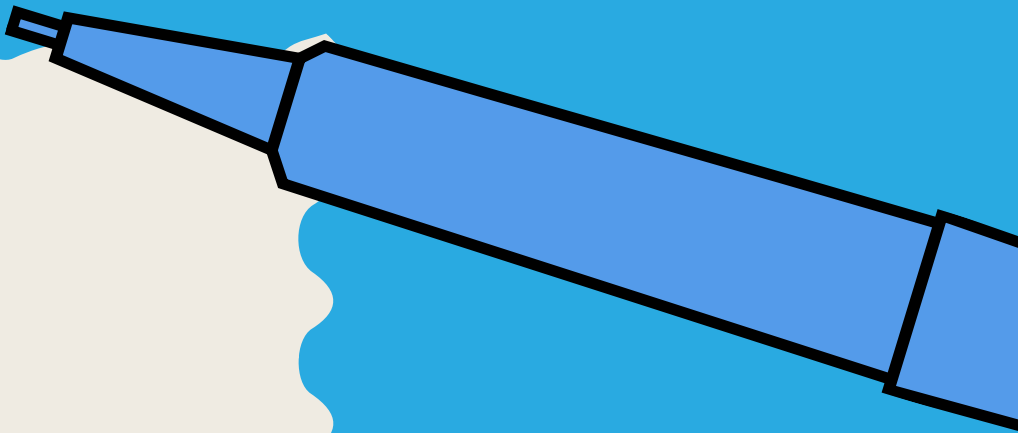

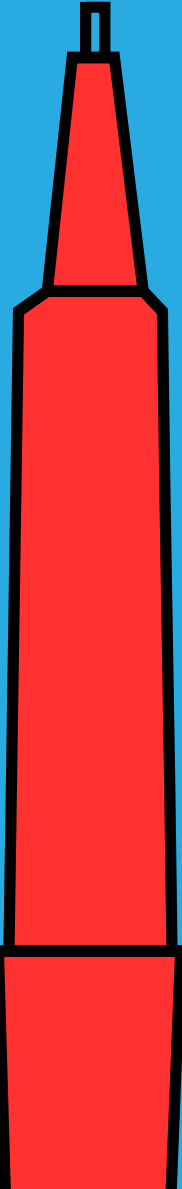

Have you heard?

The Volusia County
School District is
currently in the process of
recertifying our system
accreditation.

What is an
Accreditation
Engagement Review?

*An Accreditation Engagement Review is ...
a voluntary process that ensures schools,
and school systems, continuously improve
learning for every student.*

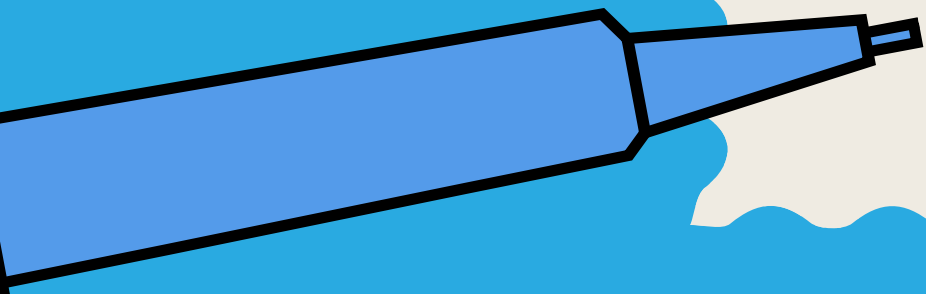

Accreditation Engagement Reviews

look into the **whole institution**—*from policies to learning conditions and cultural context*—to determine how well the parts work together to meet the needs of every learner.
