PLEASE CHOOSE ONLY ONE OPTION:

This is my school of residence and:

❒ My student is planning to return.

❒ I have moved during the school year and this is ***no longer*** my school of residence. My new school of residence is: _____ Elementary School.

❒ I am moving out of the district, and my student will not be returning.

OR

My student is attending this school because there was no space available at my school of residence (overflow) and:

❒ I wish to return to my school of residence (please list below).

_____ Elementary School

(You will be notified of your student's placement before the end of this school year)

❒ I wish to remain at this school.

If so, please complete a ***School Choice Application (*** see below)*** and return it to the school office. *(You will be notified of your student's placement before the end of this school year)*

OR

My student is attending this school through School Choice and:

❒ I wish to remain at this school.

If so, please complete a ***School Choice Application (*** see below)*** and return it to the school office. *(You will be notified of your student's placement before the end of this school year)*

❒ My student would like to attend a different school choice school.

If so, please complete a ***School Choice Application (*** see below)*** and return it to *your* ***home school*** office. *(You will be notified of your student's placement before the end of this school year)*

❒ I wish to return to my school of residence (please list below).

_____ Elementary School

❒ **My student is attending this school because of a special program (please list below).**

_____

*** **School Choice Applications can be found at your current school office. All School Choice requests will be filled on a space available basis with the understanding that transportation will <u>not</u> be provided.**
