INTERDISTRICT TRANSFER PROCESS

- Interdistrict transfer applications accepted beginning Monday, March 2, 2026
- Parents/Guardians will be contacted in late spring with an update on application status.

ALL INTERDISTRICT PERMITS ARE REVIEWED ON AN ANNUAL BASIS
AND MAY BE DENIED, NON-RENEWED OR CANCELLED
DURING THE SCHOOL YEAR FOR THE FOLLOWING REASONS:

1. Student fails to attend school the first day of the school year, fails to continue enrollment in a District-offered special program or course of study, or enrolls in any non-District school.
2. Student does not maintain a satisfactory record of scholarship, citizenship and/or attendance.
3. Family uses false, misleading or deliberate omission of information as a basis for securing or renewing a permit, fails to update information when address or circumstances change, or fails to follow school rules and policies.
4. Student is requesting a new permit for 11th or 12th grade.
5. Space at the student's grade level is not available (as determined by the principal) and/or would exceed the pupil-class average established by the district.
6. The transfer would negatively impact on the desegregation plan of this district or of the district of residence.
7. Student is suspended for any violation of Ed. Code 48900 through 48900.7 whereby, an immediate interdistrict transfer revocation may occur.*
8. Immediate interdistrict revocation may occur for other discipline problems if, in the opinion of the site administrative team, the student's disciplinary problem warrants revocation.
9. In the opinion of the Superintendent/designee, the permit is not renewed in the best interests of the students of the District.
10. The transfer of the student would require the District to create a new program or provide a new service to serve that student.
11. The programs for which the student qualifies are impacted.

CONDITIONS FOR CONTINUANCE OF PERMITS

1. New permits may be withheld for a period of one week at the beginning of each school year for the purpose of determining whether the issuance of a permit would violate the standards of class size established by the Board of Education.
2. Permits may require a conference with the school principal or designee.
3. Permits may be withheld for approval until appropriate records requested are received by Los Alamitos Unified School District.
4. Parents/guardians must annually verify and update the information in the permit request.
5. Students entering grades 11 and 12 shall not have their existing agreement rescinded, however, the permit may be revoked in accordance with the preceding reasons.

ANY FALSIFICATION OF INFORMATION ON THE INTERDISTRICT ATTENDANCE PERMIT WILL MAKE THE PERMIT SUBJECT TO IMMEDIATE REVOCATION BY THE LOS ALAMITOS UNIFIED SCHOOL DISTRICT.

PARENT NOTIFICATION

If this interdistrict transfer application is approved:

I understand and agree that my student's continued attendance at the approved school is contingent on space available as deemed by the Los Alamitos Unified School District, and that my student's school placement may be subject to reassignment based upon impacted enrollment. I further understand and agree that if a program required by my student, including, but not limited to, a special education program, is impacted, my student's permit will be non-renewed, and my student will be required to leave the District and enroll in the district of residence.
