Are your
students
up to date?

Winona Health School-Based Health Clinics, in conjunction with Winona County Health and Human Services and Winona Area Public Schools, will be hosting immunization days at the Winona Senior High School and Winona Middle School locations for students who need required school vaccinations.

To learn more about our school-based health clinics, read FAQs and download forms, scan the QR code, visit winonahealth.org/schoolclinics or call **Pediatrics & Adolescent Medicine** **507.457.7607**

To Register

Fill out the registration/consent form and return to your school's health office by **Monday, April 13**.

Winona Health

855 Mankato Avenue • Winona, Minn. • 507.454.3650

Find us online:
winonahealth.org

Appointments will be billed to insurance and health information will be added to the student's electronic medical record just as it would be if the student were seeing a primary care provider at Winona Health.
