

CATASAUQUA MIDDLE SCHOOL NEWSLETTER

FEBRUARY 2026

Principal's Message

I would like to thank all parents and guardians for your support and understanding during the recent snowstorm. We truly appreciate the flexibility shown by you and your families as we adjusted to snow days and virtual learning in order to keep both students and staff safe during extreme cold temperatures and inclement weather.

Please know that the safety of your children is always our top priority. While we cannot predict how the winter weather may unfold, you can trust that the District will continue to make thoughtful decisions that balance safety with meaningful learning opportunities.

On Thursday, February 5, printed copies of report cards will be sent home, along with several accompanying data sheets for you to review and keep. These documents are designed to be self-explanatory; however, if you have any questions or need clarification, please do not hesitate to reach out to me or to one of our guidance counselors.

At this time, there are no changes to the school calendar. Should that change, we will be sure to keep you informed.

Thank you again for your continued partnership and support. Please stay safe and warm as we move through the rest of the winter season.
