STAPLES-MOTLEY ISD #2170 is accepting applications for a:

.5 FTE Special Education Teacher
2026-2027 School Year

Location: Staples-Motley Elementary

Start Date: August 2026

Contract time: .5 FTE per the Master Contract

Salary & Benefits: Per the Master Contract available at www.isd2170.org

Posted: 2-3-2026 Closes: 4-6-2026

The Special Education Teacher will provide students with case management, learning activities, and experiences that address their unique needs, and meet all regulatory standards as required by federal and state governments.

Licensure

- Current MN Teaching license in Special Education, Emotional Behavioral Disorders, Academic Behavior Strategist or DCD

Preferred Qualifications

- Experience teaching in special education settings
- Experience in special education due process procedures including conducting evaluations, writing IEP's, monitoring progress and facilitating meetings.

Essential Functions

- Provide direct special education instruction and services aligned with students' IEPs to support academic, behavioral, and social-emotional growth.
- Develop, implement, and monitor IEP goals, accommodations, and modifications in compliance with state and federal requirements.
- Collaborate with general education teachers, support staff, and families to support inclusive practices and student success.
- Use data to monitor student progress and adjust instruction and interventions as needed.
- Create and maintain a safe, structured, and supportive learning environment that aligns with school-wide expectations and PBIS practices.

To apply, please send letter of interest, resume, credentials and 3 letters of recommendation to:

Staples-Motley School District
