K Pop Demon Hunters: Netflix's Smash Hit Yields Strong Film Soundtrack

by Nazara Heath The popular streaming platform Netflix stated quite eloquently, "Look, they told us themselves: HUNTR/X don't quit." The leading ladies of K-pop Demon Hunters maintained their ownership of the Top 10, climbing back up to No. 1 on the English Film List with another 26 million views, nine weeks after the film's premiere. The movie was released on June 20, 2025, and has since hit huge ... [Continue reading](#)

Pro-Con: Should Cell Phones Be banned in High School?

Pro: Cell Phone Bans Are Needed In this Day and Age The idea of banning phones from school outright will roll the eyes of many a teenager, but this topic has become quite hot in county board meetings as phones consume more and more of the average student's time and day. Many solutions that have been proposed have been rather out of touch with the ... [Continue reading](#)

The Oracle is North Springs' student-run news publication for students, staff, and North Springs families. *The Oracle* consistently receives recognition for achievement in scholastic journalism from the Georgia Scholastic Press Association.

For over 60 years, the *Oracle* has served a diverse student population and a wide-ranging audience, first as a printed newspaper, then starting in 2014, as a web-based news site. *The Oracle* covers on- and off-campus news, entertainment, and sports events.

The web paper also highlights North Springs students' accomplishments, and provides a forum for students to share reviews and opinions. In addition to student writing, *The Oracle* features interactive material, podcasts, and news videos. It is a class that can be taken for Magnet and ELA elective credit, and also welcomes submissions from student freelancers, writers, and photographers.

OPINIONS, SPARTAN POINT OF VIEW

A Spartan Point of View: Students express views about the January 30th student march

A Spartan Point of View: In which North Springs students express their views about issues of concern to them. This week's topic: The student protest held today. "If I had to describe this protest in one word, it would be rejuvenating because seeing all those people and saying those chants together was just what this world and school needed. It was so cold, you could... [Continue reading](#)

Nintendo Switch and the Lost Aesthetic of the 3DS

by Jordyn Newsome When comparing the aesthetics of the 3DS and the Nintendo Switch, it's practically night and day. The 3DS is filled with fun mechanics, silly themes, and an overall aura of technological fun. In comparison, the Nintendo Switch feels bland and underbaked. But why is it this way? Why do so many users miss the era of the 3ds, despite the Nintendo Switch... [Continue reading](#)
