SAT/PSAT Digital Readiness Session Dates/Times/Rooms: Testing 2026

These readiness sessions are for all 9th Grade students and any 10th and 11th grade students taking a PSAT/SAT for the first time. The PSAT9, PSAT10, and SAT will be offered at TCA College Pathways during April 13-17, 2026, the state testing window.

For students to make the most of their digital test day experience, they need to become familiar with the College Board Bluebook testing application before test day. In the Digital Readiness session, we will login to the software, look at question formatting, and understand the tools available.

By March 29, Sunday, you need to sign up for a time to attend. Space is limited based on the number of computers in the room. Here is the link to sign up for a time: https://www.signupgenius.com/go/20F0A44ABAF28A75-47832409-sat

Here are the options for dates/times through the sign-up link above:
